Participation Agreement For The Deployment of Telecommunications Facilities (A Sub-Set of ITS Phase II Improvement # 744)

Whereas, the public interest demands the deployment of optical telecommunications infrastructure; and

Whereas, the City of Gahanna has plans to deploy fiber optic telecommunications as a part of the expansion of its Intelligent Transportation System; and

Whereas, the City of Gahanna through its mayor and city council, and the Gahanna – Jefferson School District through its Board of Education do mutually intend to cooperate in the planning, design and construction and to share the cost and expense of the improvements as follows:

The City of Gahanna will:

Contract with EMH&T for Engineering Design, Bidding, and Inspection
Be contractual agent for project financial oversight
Be responsible for 100 % of the construction cost with the following exceptions and independent contributions:

The Gahanna - Jefferson School District will:

Appropriate funds not to exceed $31,277 (thirty-one thousand two hundred and seventy-seven dollars) payable to the City of Gahanna for the following items:

Splicing Cabinet, Middle School West & Chapelfield Elementary Site, 1/12 Fiber Cost, and proportional cost of Inspection Services.

That the Gahanna – Jefferson Board of Education hereby authorizes Gahanna to act as its agent for the deployment of telecommunications infrastructure and facilities as a part of Improvement # 744.
