  - B. The proposed size, locations and uses of the areas reserved as open areas, parks, playgrounds, school sites and other public areas and spaces, with the suggested use and ownership of such areas and spaces.
  - C. The proposed traffic circulation patterns, including public and private streets and other accessways, indicating their relationship to existing streets.
  - D. The proposed schedule of site development, including information indicating design principles and concepts to be followed in land development.
  - E. Such other pertinent information as the Planning Commission shall prescribe resulting from preliminary conferences concerning such requested zoning or rezoning.
  - F. An accurate survey of the entire tract, which survey shall have been performed and certified by a registered surveyor.
  - G. Fees as required in Section 1151.15(o)(1).
- (3) In addition, such application shall also be accompanied by a "Feasibility Study" encompassing, but not limited to, general topographic studies, drainage, access points adjoining land use, utilities and their availability and accessibility, approval of the general Plan by the City engineers and other interested City departments and any and all other matters indicating and tending to prove that the Outline Development Plan as submitted, can be carried to its conclusion, within the limits of this chapter.
  - (4) The Planning Commission may take no action whatever until such time as all required papers and documents are submitted to it, with the application and fee therefor.
  - (5) All plans, papers, documents, maps, studies and fees required to be submitted with the application, and the application itself, shall become the property of the City and will not be returned to the applicant, except as otherwise provided in this chapter.
- (f) *Planning Commission Action.* Upon the submission of the application, required papers, maps and documents accompanying the same and the fee to the Planning and Zoning Administrator or their designee, the Planning Commission shall, at its next regularly scheduled meeting, schedule a public hearing on such application and Outline Development Plan, such hearing to be held not later than 60 days after the date that it is scheduled. At such hearing, the applicant or his representative shall present a statement and adequate and sufficient evidence in such form as the Planning Commission may require, to aid the Planning Commission in its deliberation on the application and the Outline Development Plan. Before approving an application for zoning or rezoning to a PUD District, the Planning Commission shall decide:
- (1) That the proposed development is consistent in all respects with the purpose, intent and applicable standards of this chapter, and the general zoning, building, subdivision and other pertinent ordinances of the City.
  - (2) That the proposed development is in conformity with a comprehensive Plan, or portion thereof, as the same may apply to the tract in question.
  - (3) That the proposed development is not detrimental to the general welfare of the inhabitants of the City.
  - (4) That the benefits, improved arrangement and the general design of the proposed development justify the deviation from other districts, as included in the Zoning Ordinance.
- (g) *Publication of Notice and Posting of Property.*

- 
- (1) Before approving or denying the application before it, the Planning Commission shall hold at least one public hearing on such application, notice of which shall be published on the City website and posted at the municipal building, in a location accessible to the public, and shall include place, time, date and nature of such applied for twice during the two weeks prior to the public hearing.

Written notice of said hearing shall also be mailed by ordinary mail to the street addresses of contiguous property owners of the property for which said hearing is being held. The failure of delivery of such notice shall not invalidate any such application. The names and addresses of all property owners entitled to notice of the public hearing shall be furnished by the applicant.

Where the subject of such public hearing involves 50 or more of the property owners of the City, then written notice to owners of the hearing, as provided in the preceding paragraph, shall not be required.

- (2) Drawings and related written materials which fully describe the design concept and platting of the proposed planned unit development shall be filed by the applicant with the Planning and Zoning Administrator or their designee prior to publication of the first notice of public hearing and shall be available for review and study by the general public until the time of such public hearing.
- (3) Not less than 14 days prior to the scheduled date of public hearing, the Planning and Zoning Administrator or their designee shall cause the property in question to be posted with a zoning notice stating the time and place of the scheduled public hearing, the identity of the applicant, the present zoning of the property and the requested zoning.

(h) *Council Action.*

- (1) Within 45 days after the public hearing, the Planning Commission shall forward the application and supporting matter, including the Outline Development Plan to Council, along with a written report recommending that the application and Outline Development Plan be approved, approved with modifications or disapproved. The report shall contain the findings of the Planning Commission as to conformity to criteria set forth in 1151.15(e)(2) and the reasons for whatever recommendation is made to Council by the Planning Commission. In the event that the Planning Commission fails to forward its report within 45 days after the public hearing, such failure shall be deemed to be an approval of the application and the Outline Development Plan, and it shall be forwarded automatically to Council as if it had been approved by the Planning Commission.
- (2) At the next regularly scheduled Council meeting, the President of Council shall schedule a public hearing upon the application and Outline Development Plan, as submitted to Council by the Planning Commission. Not less than 30 days prior to the date scheduled for the public hearing by Council, the Clerk of Council shall cause notice of such hearing to be given in accordance with the Zoning Ordinance and the provisions of Article XI of the Charter.
- (3) In the event the application and Outline Development Plan is approved by Council, Council shall cause the Zoning Map to be amended by ordinance to reflect the change to the PUD District. If the application and Outline Development Plan is approved with modifications by Council, Council shall not amend the Zoning Map until the applicant has filed with Council a written consent to the plan as modified. Such written consent must be filed with the Clerk of Council within 60 days after Council's action upon the application and Outline Development Plan. In the event such a written consent is not filed within 60 days, such failure shall be deemed a refusal to consent to the modifications and the application and Outline Development Plan shall be conclusively presumed to have been denied by Council. In the event such written consent to the application and Outline Development Plan as modified is filed, Council shall then cause the Zoning Map to be changed by ordinance to reflect the PUD District.

(i) *Effect of Approval of Application, Outline Development Plan.*

- 
- (1) Within two years after the approval of the application to amend the Zoning Map by Council, the applicant shall be required to submit a plat of the PUD District or a partial plat of the PUD District, to contain not less than 25 acres, but if the entire PUD District so applied for, is more than 50 acres, not less than 50 acres may be submitted as a plat, unless the entire balance of the PUD District is less than fifty acres, in which case the entire balance shall be submitted. Such plat is to be submitted in accordance with all the applicable laws, ordinances and regulations of the City.
  - (2) In the event that a partial plat is submitted and recorded within the two-year period the approval of the PUD District shall be continued so long as a plat containing not less than 50 acres within the PUD District is submitted (unless the entire remainder of the PUD District consists of less than 50 acres, in which case the entire remainder of such PUD District must be submitted as a plat) and recorded within a two-year period from the time of the last recording of the plat or partial plat. In the event that a plat, partial plat or a subsequent partial plat is not submitted and recorded within the above time limits, the approval of the PUD District shall be automatically voided, without action by Council, and the land shall revert to its last previous zoning district. However, Council may, in its discretion and for good cause shown by the applicant, grant a time extension, not to exceed six months in length, for the submission and recording of a subsequent plat or partial plat.
- (j) *Plat and Development Plan.* No building or construction may be commenced within any PUD District after approval, until the Plat and Development Plan has been approved by the Planning Commission under the following procedures:
- The applicant shall file with the Planning Commission, within the acreage limits and the time limits set forth in Section 1151.15(i), a Plat and Development Plan containing, in final form, the following information with respect to that area to be platted and developed:
- (1) A map showing street systems, plot lines and plot designs, all of which must be in conformity with the requirements of the Subdivision Ordinance (Title One of this Part Eleven -Planning and Zoning Code) and amendments thereto.
  - (2) Areas proposed to be conveyed, dedicated or reserved for parks, parkways, playgrounds, school sites, public buildings and other similar public and semipublic places.
  - (3) A development schedule indicating the approximate date when development of the project can be expected to begin; the stages in which the project will be developed and the approximate date when development of each stage can be expected to begin; the anticipated rate of development, the approximate dates when each of the stages of the development will be completed, and the area location of common open space that will be provided at each stage of the development.
  - (4) Agreements, provisions or covenants which govern the use, maintenance and continued protection of the planned development and any of its common open areas.
  - (5) Fees as required in Section 1151.15 (o)(2).
- (k) *Submission of Plat, Development Plan; Planning Commission Action.* The Planning Commission shall, within 30 days after the submission of a Plat and Development Plan, give its written approval of such Plat and Development Plan so long as it is consistent and in conformity with the Outline Development Plan and the standards of this chapter. Such approval shall be granted by the Planning Commission so long as the Plat and Development Plan are in conformity with the Outline Development Plan, and shall not be withheld unless the Planning Commission deems that there is a substantial variation from the Outline Development Plan.
- (l) *Variation From Outline Development Plan; Procedure.*
- (1) Should the Planning Commission, at any regular meeting or at any special meeting called for the purpose of considering the submission of a Plat and Development Plan, find that a substantial variation exists between the Plat and Development Plan, as submitted, and the Outline Development Plan, the

---

Chair of the Planning Commission shall forthwith notify the applicant that a substantial variation is deemed to exist and the particulars thereof. The applicant may, within 30 days of receipt of such notification, elect, either to amend the Plat and Development Plan to eliminate such substantial variation and resubmit such amended Plat and Development Plan without further fee, or to request the Chair of the Planning Commission to appoint a Fact-Finding Board, as hereinafter provided. Such election of the applicant shall be in writing to the Chair of the Planning Commission. Should the applicant fail to make such election within the time limit provided herein, the Plat and Development Plan shall be conclusively presumed to have been denied and no further action or appeal may be taken thereon.

- (2) Should the applicant elect to submit the dispute to a Fact-Finding Board, the Chair of the Planning Commission shall forthwith appoint two members of the Planning Commission to a Fact-Finding Board. Such Board shall be composed of two members of Council, the above-mentioned two members of the Planning Commission and one freeholder-elect of the City who has no direct or indirect financial interest in the matter. Such freeholder-elect shall be appointed by the Mayor, who shall attest to his qualifications, and the City Attorney. The Chair shall forthwith notify the President of Council that the Planning Commission deems that a substantial variation from the Outline Development Plan exists. The President of Council shall appoint two members of Council and shall designate one of such members as the Chair of the Fact-Finding Board. The City Attorney shall have no vote on such Board and shall act in an advisory capacity.
- (3) The Fact-Finding Board shall meet within fifteen days after the appointment of the Chair thereof. The applicant shall be notified of such meeting and shall be present to submit detailed information concerning the reasons for the variation as found by the Planning Commission. The Board shall report its findings, in writing, within 20 days after the appointment of the Chair thereof, to the Chair of the Planning Commission. Should the Board fail to meet within the fifteen-day time limit set forth herein or should the Board fail to notify the Chair of the Planning Commission of its findings within the 20-day period set forth herein, such failure shall be construed as a positive recommendation to the Planning Commission that the variation as found by the Planning Commission is justified as being due to unforeseeable or changed circumstances and not due to the negligence of the applicant. Should the applicant fail to appear, after proper notification of the Board meeting, to present his reasons, either in person or through his representative as to the reason for the variation, such failure shall be conclusively presumed to be a withdrawal by the applicant of the Plat and Development Plan from consideration by the Planning Commission, and the submission of such Plat and Development Plan shall be considered void and of no effect and does not toll the time limits set forth in 1151.15 (i) for the submission of Plat and Development Plans.
- (4) After submission of the information to the Board by the applicant, such Board shall determine only:
  - A. Whether the substantial variation from the Outline Development Plan, as found by the Planning Commission, is justified by circumstances which have changed since the original submission of the Outline Development Plan and which could not have reasonably been foreseen by the applicant at the time of, or prior to the submission of the Outline Development Plan, and that the variation, as found is in no way due to the negligence or lack of diligence on the part of the applicant; or
  - B. The variation is unjustified and could have been foreseen by the applicant by the use of reasonable diligence at the time of, or prior to the submission of the Outline Development Plan.
- (5) At its next regular meeting or at a special meeting called for such purpose, after receipt of the recommendation of the Fact-Finding Board, the Planning Commission shall act on the Plat and Development Plan as submitted by the applicant. The Planning Commission shall in no way be bound by the recommendation of the Fact-Finding Board, but if the recommendation of the Board is that the variation is justified, and the Planning Commission disapproves such variation as being unjustified, such

---

disapproval shall act to toll the time limits set forth in Section 1151.15(i), pending appeal by the applicant, as set forth in Section 1151.15(n).

- (m) *Procedure Upon Approval by Planning Commission.* In the event the Plat and Development Plan is approved by the Planning Commission, under the same criteria as defined in Section 1151.15(f), such Plat and Development Plan shall be submitted to Council for approval in the same manner and under the same procedure as that prescribed in the Subdivision Ordinance (Title One of this Part Eleven - Planning and Zoning Code) and amendments thereto.
- (n) *Procedure Upon Disapproval by Planning Commission.*
- (1) In the event that the Planning Commission has received the recommendation of a justifiable variation from the Fact-Finding Board as set forth in Section 1151.15(l), but the Planning Commission has disapproved such Plat and Development Plan, an appeal may be taken by the applicant to the Board of Zoning and Building Appeals in the form, manner and time set forth in Section 12.03 of the Charter. Should the Board of Zoning and Building Appeals find that the Planning Commission should have approved such Plat and Development Plan, in accordance with the recommendation of the Fact-Finding Board, the Plat and Development Plan shall be considered automatically approved by the Planning Commission and submitted to Council in the manner prescribed in Section 1151.15(m). Should the Board of Zoning and Building Appeals disapprove such Plat and Development Plan, the applicant shall be deemed to have exhausted his administrative remedies.
  - (2) In the event the Fact-Finding Board has recommended to the Planning Commission that the variation of the Plat and Development Plan from the Outline Development Plan is unjustified, and the Planning Commission has disapproved such Plat and Development Plan and an appeal has been taken to the Board of Zoning and Building Appeals under subsection (n)(1) hereof, and the Board of Zoning and Building Appeals has recommended approval of such Plat and Development Plan, then the City Attorney shall within 20 days of the date of the decision of the Board of Zoning and Building Appeals, file a written appeal to Council. Such appeal shall be set for hearing before Council at the next regular meeting to be held more than ten days after the mailing of the notice of appeal and shall be heard at that time, unless a written extension of time is granted to either party by the President of Council. A copy of the notice of appeal shall be sent to the applicant and to the Chair of the Board of Zoning and Building Appeals and at least five days' written notice shall be given to the applicant and the Chair of the Board of Zoning and Building Appeals of the date, time and place of the hearing. At such hearing before Council, the City Attorney shall represent the Chair of the Planning Commission or his appointed representative and the Board of Zoning Appeals may be represented by any member thereof. The applicant may represent himself or may appoint his representative. The findings and decision of Council shall be final.
  - (3) In the event the Fact-Finding Board has recommended to the Planning Commission that the variation of the Plat and Development Plan from the Outline Development Plan is unjustified, and the Planning Commission approves such Plat and Development Plan, the City Attorney shall, within 20 days of the date of the decision of the Planning Commission, file a written appeal to Council. Such appeal shall be set for hearing before Council at the next regular meeting to be held more than ten days after the mailing of the notice of appeal and shall be heard at that time unless a written extension of time is granted to any interested party by the President of Council. A copy of the notice of appeal shall be sent to the applicant and to the Chair of the Planning Commission, and, at least five days' written notice shall be given to the applicant and the Chair of the Planning Commission of the date, time and place of the hearing. The City Attorney shall represent the Chair of the Fact-Finding Board and the Planning Commission may be represented by any member thereof. The applicant shall represent himself or may appoint his representative. The findings and decision of Council shall be final and such appeal to Council shall be deemed to have been a submission to Council under the Subdivision Ordinance (Title One of this Part Eleven-Planning and Zoning Code).

(4) Nothing in this chapter shall be construed in such a way as to deprive any interested party aggrieved by the finding and decision of the Planning Commission, of his right to appeal to the Board of Zoning and Building Appeals in the manner and time set forth in Section 12.03 of the Charter. However, should the finding and decision of the Board of Zoning and Building Appeals be contrary to the position of such appellant, the appellant shall be deemed to have exhausted his administrative remedies and such decision of the Board of Zoning and Building Appeals shall be deemed to be final, except as provided in subsection (n)(2) hereof.

(o) *Fees.*

(1) The fee for filing an Outline Development Plan and the application for PUD District shall be as established in the Building and Zoning Fee Schedule set forth in Section 135.10 in Part One of these Codified Ordinances.

The fee for filing an amended or revised Outline Development Plan and the application for PUD District shall be as established in the Building and Zoning Fee Schedule set forth in Section 135.10 in Part One of these Codified Ordinances.

However, those parts of Section 1105.02 which are required in Section 1151.15 (c)(2) shall be required.
