[DR-0008-2015](#)

To consider a Certificate of Appropriateness application; for property located at 505 Morrison Road; Parcel ID number 025-001131; Kindred Artisan Ales Tasting Room; Steve Kirk, applicant.

Bonnie Gard, Zoning Administrator, said this application was very well put together and self-explanatory. This is for a tasting room. The brewery will be in a different district. This location is the old Gahanna racquet club, where the old swimming pool was. The exterior is a huge improvement over what is there now. It is very interesting and a lot of thought has gone into the planning; said the applicant has worked well with the city.

Applicant presented proposed rendering; described the store front. The doors move up and down to make the outside come in; the tap room will be a tasting room, with no food served. It will be open Thursday-Sunday. Said he is open for questions.

Shepherd asked Bonnie about parking for nearby business. Bonnie said there will be enough parking without adding additional or interfering with nearby businesses; said it looks great.

Andrews ask the applicant if there will be any appetizers, or no food at all. Applicant responded that there may be some pretzels or nuts in order to comply with liquor license, and in the future sometime there may be a menu, but not in near future.

A motion was made by Shepherd, seconded by Andrews, that this Design Review be Approved. The motion carried by the following vote:

Yes: 4 - Andrews, Shepherd, Price and Wester

Absent: 3 - Keehner, Burba and Rosan
