Joseph Cordiano, 111 Nob Hill Dr. North spoke about streets and curbs; talked to City Engineer and it could be another 4 or 5 years to fix the problems; he understands the Detroit Street Program; his street may not rate low enough; there is concrete under the street; curbs are the original curbs; concrete exposed to this weather; submitted pictures of the problems with street and curbs; no money spent on his neighborhood; they pay their taxes and take care of their neighborhood; he'd think there is no such thing as a Detroit Style Street; \$300K or \$400k homes not getting streets repaired; he requested Council to consider these repairs during budget; maybe even just the curbs; he would like a resolution to this problem; the neighborhood is starting to go downhill; he realizes it takes huge chunks of money to fix their problems; would like some help;

he thanked Council for their time.

Tom Keyes, 103 Nob Hill Dr. North, thanked Councilman Schnetzer for meeting with neighborhood on this matter; his neighborhood is starting to fall in disrepair; harder to sell house when driveways, roadway and curbs need repaired; he knows it takes money; Council needs to consider where they are going to get resources for our community for the upkeep.

Brenda Hoffman, 279 Highmeadow Dr., currently sidewalks are a problem; confronted with permits that need to be filled out; retaliation for installing fence; neighbor called zoning and compliance; she was fixing her own sidewalk; comes from a farm and has put in 3 sidewalks on her own; proficient in pouring sidewalks; neighbors do not want their fence, so they had the cost to replace the sidewalk; it was very expensive; Brian Reynolds said he is not going to play tit for tat with neighbors; no reason the City can't have rotational survey; identify areas that need repaired; she has no problem with paying for education and getting volunteers to pour sidewalks; it is simple and easy to fix these sidewalks; there has to be a better program; get sidewalks away from zoning compliance to use it as retaliatory means against neighbors; no other community in central Ohio has these types of problems.
