

Proposed Regulations submitted by Vallee Wiggins

1. All chicken coops must be within 10 (ten) feet of the rear entrance from the owner's house.
2. The coop must be no more than seven feet high, by four feet in depth and eight feet long.
3. The coop must be constructed of either wood or plastic and must be maintained by the owner. This would include mandatory painting with a solid color either white or the color of the home at least once every two years.
4. The length of the coop (the eight foot) must be parallel to the house, so as not to extend out into the yard.
5. The run must be attached to the length of the coop and must not exceed more than four feet in height, four feet in depth, and eight feet in length.
6. The coop may not be any closer house than sixty feet from the nearest neighbor's house..
7. When the owner no longer has chickens, the coop must be dismantled and removed from the property within one month.
8. The coop may not be moved to alternate locations so that the smell of the manure with stay where the original coop is placed.
9. The chickens may not be allowed to run freely outside of the coop or the run at any time, even if the owner's property is fenced.
10. The number of chickens may not exceed more than three for a property of less than or equal to one half acre.
11. No roosters are permitted.
12. Loose chickens may be killed by neighbors without penalty from the city.
13. Failure to abide by the above regulations will result in a \$100.00 fine for the first offense, \$500.00 for the second and removal of the chickens and the coop and run at the owner's expense. A failure will occur after a one week notice from the city that the ordinance has been broken.
