I haven't heard about any extension for the meeting next Tuesday, so I'm assuming it's still on.

Thank you Jeremy. I did think I was going before the City Council.

Hello Mr. Allen,

This is to acknowledge receipt of your request. I've forwarded this to Chair Eisen, and it is currently under review by the city. We hope to have a response by early next week.

Also, I want to clarify that your appeal is to the Board of Zoning and Building Appeals, a separate public body from City Council. Council Office, my department, however, coordinates the administrative tasks of both of these bodies.

Thank you,

Subject: Requesting another extension?

Hi Priya and Jeremy,

We've been told by Maddie Capka today we'll be on the Planning Commission agenda for May 14th for our entire site plan. They are recommending approval. Could I have another extension for the City Council meeting that's been scheduled for April 22nd?

I appreciate all the help you continue to give us!

Brent
