DATE: November 6, 2025

SUBJECT: Operations - Request for Council Action (November 10, 2025 COTW Meeting)

ACTION ITEM #1: RESOLUTION TO ADOPT REVISED ELECTRIC VEHICLE CHARGING STATION FEES

In accordance with Chapter 949 of the Gahanna Codified Ordinances, the Director of Public Service sets, and Council adopts, the rates for Electric Vehicle Charging Stations. Gahanna has two types of EV Charging Stations: Level 2 Stations (L2) located at City Hall, Friendship Park, Hannah Park and the Municipal Golf Course, and DC Fast Chargers (DCFC) located in the Creekside Parking Garage and the Municipal Parking Lot.

To align with known increases in the City's supplier costs, the following rates are recommended for the stations, beginning December 8, 2025:

- Level 2 (L2) stations at \$0.30 kWh (a \$0.02/kWh increase)
- DC Fast Charger (DCFC) stations at \$0.40 kWh (a \$0.01/kWh increase)
- Removal of idle fees

Based on the above, the Administration respectfully requests a Resolution to adopt fees per Chapter 949 of the Gahanna Codified Ordinances as outlined above.

ACTION ITEM #2: ORDINANCE TO ESTABLISH UTILITY RATES AND AMEND RELATED PROVISIONS OF GAHANNA CODE

As required by Gahanna Code, the Department of Public Service annually reviews applicable code provisions (Gahanna Code Chapters, 919, 921, 927, 929, 933, 941) and fee schedules for necessary updates and revisions to utility rates. The annual review for utility rates is completed after the City of Columbus determines its rates that are passed on to the City of Gahanna.

Attached is the Department’s annual recommendation to establish utility rates for 2026 and to complete the annual review. Redlined versions of the proposed changes are included.

The Administration respectfully requests Council to pass an Ordinance authorizing the proposed code changes and fee schedule updates.
