- D. An outline of the analyst's or test performer's education, training, and experience in performing the type of analysis involved and a certification that the laboratory satisfies appropriate quality control standards in general and, in this particular analysis, under rules of the Department of Health.

(2) Notwithstanding any other provision of law regarding the admission of evidence, a report of the type described in subsection (f)(1) of this section is not admissible against the defendant to whom it pertains in any proceeding, other than a preliminary hearing or a grand jury proceeding, unless the prosecutor has served a copy of the report on the defendant's attorney or, if the defendant has no attorney, on the defendant.

(3) A report of the type described in subsection (f)(1) of this section shall not be prima-facie evidence of the contents, identity, or amount of any substance if, within seven days after the defendant to whom the report pertains or the defendant's attorney receives a copy of the report, the defendant or the defendant's attorney demands the testimony of the person who signed the report. (g) **Immunity From Liability For Withdrawing Blood.** Except as otherwise provided in this subsection, any physician, registered nurse, emergency medical technician-intermediate, emergency medical technician-paramedic, or qualified technician, chemist, or phlebotomist who withdraws blood from a person pursuant to this section or Ohio R.C. 4511.191 or 4511.192, and any hospital, first-aid station, or clinic at which blood is withdrawn from a person pursuant to this section or Ohio R.C. 4511.191 or 4511.192, is immune from criminal liability and civil liability based upon a claim of assault and battery or any other claim that is not a claim of malpractice, for any act performed in withdrawing blood from the person. The immunity provided in this subsection also extends to an emergency medical service organization that employs an emergency medical technician-intermediate or emergency medical technician-paramedic who withdraws blood under this section. The immunity provided in this subsection is not available to a person who withdraws blood if the person engaged in willful or wanton misconduct.

As used in this subsection, "emergency medical technician-intermediate" and "emergency medical technician-paramedic" have the same meanings as in Ohio R.C. 4765.01.

(h) **General OVI Penalty.**

(1) Whoever violates any provision of subsections (a)(1)A. to I. or (a)(2) of this section is guilty of operating a vehicle under the influence of alcohol, a drug of abuse, or a combination of them. Whoever violates subsection (a)(1)J. of this section is guilty of operating a vehicle while under the influence of a listed controlled substance or a listed metabolite of a controlled substance. The court shall sentence the offender for either offense under Ohio R.C. Chapter 2929, and this Traffic Code, except as otherwise authorized or required by subsections (h)(1)A. to E. of this section:

A. Except as otherwise provided in subsections (h)(1)B., C., D. or E. of this section, the offender is guilty of a misdemeanor of the first degree, and the court shall sentence the offender to all of the following:

1. If the sentence is being imposed for a violation of subsections (a)(1)A., B., C., D., E., or J. of this section, a mandatory jail term of three consecutive days. As used in this subsection, three consecutive days means 172 consecutive hours. The court may sentence an offender to both an intervention program and a jail term. The court may impose a jail term in addition to the three-day mandatory jail term or intervention program. However, in no case shall the cumulative jail term imposed for the offense exceed six months.

The court may suspend the execution of the three-day jail term under this subsection if the court, in lieu of that suspended term, places the offender under a community control sanction pursuant to Ohio R.C. 2929.25 and requires the offender to attend, for three consecutive days, a drivers' intervention program certified under Ohio R.C. 5119.38.

The court also may suspend the execution of any part of the three-day jail term under this subsection if it places the offender under a community control sanction pursuant to Ohio R.C. 2929.25 for part of the three days, requires the offender to attend for the suspended part of the term a drivers' intervention program so certified, and sentences the offender to a jail term equal to the remainder of the three consecutive days that the offender does not spend attending the program. The court may require the offender, as a condition of community control and in addition to the required attendance at a drivers' intervention program, to attend and satisfactorily complete any treatment or education programs that comply with the minimum standards adopted pursuant to Ohio R.C. Chapter 5119 by the Director of Mental Health and Addiction Services that the operators of the drivers' intervention program determine that the offender should attend and to report periodically to the court on the offender's progress in the programs. The court also may impose on the offender any other conditions of community control that it considers necessary.

2. If the sentence is being imposed for a violation of subsection (a)(1)F., G., H. or I. or (a)(2) of this section, except as otherwise provided in this subsection, a mandatory jail term of at least three consecutive days and a requirement that the offender attend, for three consecutive days, a drivers' intervention program that is certified pursuant to Ohio R.C. 5119.38. As used in this subsection, three consecutive days means 72 consecutive hours. If the court determines that the offender is not conducive to treatment in a drivers' intervention program, if the offender refuses to attend a drivers' intervention program, or if the jail at which the offender is to serve the jail term imposed can provide a drivers' intervention program, the court shall sentence the offender to a mandatory jail term of at least six consecutive days.

The court may require the offender, under a community control sanction imposed under Ohio R.C. 2929.25, to attend and satisfactorily complete any treatment or education programs that comply with the minimum standards adopted pursuant to Ohio R.C. Chapter 5119 by the Director of Mental Health and Addiction Services, in addition to the required attendance at drivers' intervention program, that the operators

of the drivers' intervention program determine that the offender should attend and to report periodically to the court on the offender's progress in the programs. The court also may impose any other conditions of community control on the offender that it considers necessary.

3. In all cases, a fine of not less than \$565.00 and not more than \$1,075.00.
 4. In all cases, a class five license suspension of the offender's driver's or commercial driver's license or permit or nonresident operating privilege from the range specified in division (A)(5) of Ohio R.C. 4510.02. The court may grant limited driving privileges relative to the suspension under Ohio R.C. 4510.021 and 4510.13.
- B. Except as otherwise provided in subsection (h)(1)E. of this section, an offender who, within ten years of the offense, previously has been convicted of or pleaded guilty to one violation of subsection (a) of this section or one other equivalent offense is guilty of a misdemeanor of the first degree. The court shall sentence the offender to all of the following:

1. If the sentence is being imposed for a violation of subsection (a)(1)A., B., C., D., E., or J. of this section, a mandatory jail term of ten consecutive days. The court shall impose the ten-day mandatory jail term under this subsection unless, subject to subsection (h)(3) of this section, it instead imposes a sentence under that subsection consisting of both a jail term and a term of house arrest with electronic monitoring, with continuous alcohol monitoring, or with both electronic monitoring and continuous alcohol monitoring. The court may impose a jail term in addition to the ten-day mandatory jail term. The cumulative jail term imposed for the offense shall not exceed six months.

In addition to the jail term or the term of house arrest with electronic monitoring or continuous alcohol monitoring or both types of monitoring and jail term, the court shall require the offender to be assessed by a community addiction services provider that is authorized by Ohio R.C. 5119.21, subject to subsection (k) of this section, and shall order the offender to follow the treatment recommendations of the services provider. The purpose of the assessment is to determine the degree of the offender's alcohol usage and to determine whether or not treatment is warranted. Upon the request of the court, the services provider shall submit the results of the assessment to the court, including all treatment recommendations and clinical diagnoses related to alcohol use.

2. If the sentence is being imposed for a violation of subsection (a)(1)F., G., H. or I. or (a)(2) of this section, except as otherwise provided in this subsection, a mandatory jail term of 20 consecutive days. The court shall impose the 20-day mandatory jail term under this subsection unless, subject to subsection (h)(3) of this section, it instead imposes a sentence under that subsection consisting of both a jail term and a term of house arrest with electronic monitoring, with continuous alcohol monitoring, or with both electronic monitoring and continuous alcohol monitoring. The court may impose a jail term in addition to the 20-day mandatory jail term. The cumulative jail term imposed for the offense shall not exceed six months.

In addition to the jail term or the term of house arrest with electronic monitoring or continuous alcohol monitoring or both types of monitoring and jail term, the court shall require the offender to be assessed by a community addiction services provider

that is authorized by Ohio R.C. 5119.21, subject to subsection (k) of this section, and shall order the offender to follow the treatment recommendations of the services provider. The purpose of the assessment is to determine the degree of the offender's alcohol usage and to determine whether or not treatment is warranted. Upon the request of the court, the services provider shall submit the results of the assessment to the court, including all treatment recommendations and clinical diagnoses related to alcohol use.

3. In all cases, notwithstanding the fines set forth in Section 303.99, a fine of not less than \$715.00 and not more than \$1,625.00.
 4. In all cases, a class four license suspension of the offender's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege from the range specified in division (A)(4) of Ohio R.C. 4510.02. The court may grant limited driving privileges relative to the suspension under Ohio R.C. 4510.021 and 4510.13. (ORC 4511.19)
 5. In all cases, if the vehicle is registered in the offender's name, immobilization of the vehicle involved in the offense for 90 days in accordance with Ohio R.C. 4503.233 and impoundment of the license plates of that vehicle for 90 days. (ORC 4511.193)

The court shall sentence the offender to all of the following:
1. If the sentence is being imposed for a violation of subsection (a)(1)A., B., C., D., E., or J. of this section, a mandatory jail term of 30 consecutive days. The court shall impose the 30-day mandatory jail term under this subsection unless, subject to subsection (h)(3) of this section, it instead imposes a sentence under that subsection consisting of both a jail term and a term of house arrest with electronic monitoring, with continuous alcohol monitoring, or with both electronic monitoring and continuous alcohol monitoring. The court may impose a jail term in addition to the 30-day mandatory jail term. Notwithstanding the jail terms set forth in Section 303.99, the additional jail term shall not exceed one year, and the cumulative jail term imposed for the offense shall not exceed one year.
 2. If the sentence is being imposed for a violation of subsection (a)(1)F., G., H. or I. or (a)(2) of this section, a mandatory jail term of 60 consecutive days. The court shall impose the 60-day mandatory jail term under this subsection unless, subject to subsection (h)(3) of this section, it instead imposes a sentence under that subsection consisting of both a jail term and a term of electronically monitored house arrest with continuous alcohol monitoring, or with both electronic monitoring and continuous alcohol monitoring. The court may impose a jail term in addition to the 60-day mandatory jail term. Notwithstanding the terms of imprisonment set forth in Section 303.99, the additional jail term shall not exceed one year, and the cumulative jail term imposed for the offense shall not exceed one year.
 3. In all cases, notwithstanding the fines set forth in Section 303.99, a fine of not less than \$1,040.00 and not more than \$2,750.00.

4.  5. In all cases, if the vehicle is registered in the offender's name, criminal forfeiture of the vehicle involved in the offense in accordance with Ohio R.C. 4503.234. Subsection (h)(5) of this section applies regarding any vehicle that is subject to an order of criminal forfeiture under this subsection. (ORC 4511.193)
 6. In all cases, the court shall order the offender to participate with a community addiction services provider authorized by Ohio R.C. 5119.21, subject to subsection (k) of this section, and shall order the offender to follow the treatment recommendations of the services provider. The operator of the services provider shall determine and assess the degree of the offender's alcohol dependency and shall make recommendations for treatment. Upon the request of the court, the services provider shall submit the results of the assessment to the court, including all treatment recommendations and clinical diagnoses related to alcohol use.

(ORC 4511.19(G)(1)(d))
- E. An offender who previously has been convicted of or pleaded guilty to a violation of Ohio R.C. 4511.19(A) that was a felony, regardless of when the violation and the conviction or guilty plea occurred, is guilty of a felony of the third degree and shall be prosecuted under appropriate state law.
- (2) An offender who is convicted of or pleads guilty to a violation of subsection (a) of this section and who subsequently seeks reinstatement of the driver's or occupational driver's license or permit or nonresident operating privilege suspended under this section as a result of the conviction or guilty plea shall pay a reinstatement fee as provided in division (F)(2) of Ohio R.C. 4511.191.
 - (3) If an offender is sentenced to a jail term under subsection (h)(1)B.1. or 2. or (h)(1)C.1. or 2. of this section and if, within 60 days of sentencing of the offender, the court issues a written finding on the record that, due to the unavailability of space at the jail where the offender is required to serve the term, the offender will not be able to begin serving that term within the 60-day period following the date of sentencing, the court may impose an alternative sentence under this subsection that includes a term of house arrest with electronic monitoring, with continuous alcohol monitoring, or with both electronic monitoring and continuous alcohol monitoring.

As an alternative to a mandatory jail term of ten consecutive days required by subsection (h)(1)B.1. of this section, the court, under this subsection, may sentence the offender to five consecutive days in jail and not less than 18 consecutive days of house arrest with electronic monitoring, with continuous alcohol monitoring, or with both electronic monitoring and

continuous alcohol monitoring. The cumulative total of the five consecutive days in jail and the period of house arrest with electronic monitoring, continuous alcohol monitoring, or both types of monitoring shall not exceed six months. The five consecutive days in jail do not have to be served prior to or consecutively to the period of house arrest.

As an alternative to the mandatory jail term of 20 consecutive days required by subsection (h)(1)B.2. of this section, the court, under this subsection, may sentence the offender to ten consecutive days in jail and not less than 36 consecutive days of house arrest with electronic monitoring, with continuous alcohol monitoring, or with both electronic monitoring and continuous alcohol monitoring. The cumulative total of the 15 consecutive days in jail and the period of house arrest with electronic monitoring, continuous alcohol monitoring or both types of monitoring shall not exceed one year. The 15 consecutive days in jail do not have to be served prior to or consecutively to the period of house arrest.

The cumulative total of the 30 consecutive days in jail and the period of house arrest with electronic monitoring, continuous alcohol monitoring, or both types of monitoring shall not exceed one year. The 30 consecutive days in jail do not have to be served prior to or consecutively to the period of house arrest.

- (4) If an offender's driver's or occupational driver's license or permit or nonresident operating privilege is suspended under subsection (h) of this section and if Ohio R.C. 4510.13 permits the court to grant limited driving privileges, the court may grant the limited driving privileges in accordance with that section. If division (A)(7) of that section requires that the court impose as a condition of the privileges that the offender must display on the vehicle that is driven subject to the privileges restricted license plates that are issued under Ohio R.C. 4503.231, except as provided in division (B) of that section, the court shall impose that condition as one of the conditions of the limited driving privileges granted to the offender, except as provided in division (B) of Ohio R.C. 4503.231.
- (5) If title to a motor vehicle that is subject to an order of criminal forfeiture under this section is assigned or transferred and division (B)(2) or (3) of Ohio R.C. 4503.234 applies, in addition to or independent of any other penalty established by law, the court may fine the offender the value of the vehicle as determined by publications of the national auto dealers association. The proceeds of any fine so imposed shall be distributed in accordance with division (C)(2) of that section.

- (6) In all cases in which an offender is sentenced under subsection (h) of this section, the offender shall provide the court with proof of financial responsibility as defined in Ohio R.C. 4509.01. If the offender fails to provide that proof of financial responsibility, the court, in addition to any other penalties provided by law, may order restitution pursuant to Ohio R.C. 2929.18 or 2929.28 in an amount not exceeding \$5,000.00 for any economic loss arising from an accident or collision that was the direct and proximate result of the offender's operation of the vehicle before, during or after committing the offense for which the offender is sentenced under subsection (h) of this section.
- (7) As used in subsection (h) of this section, "electronic monitoring", "mandatory prison term" and "mandatory term of local incarceration" have the same meanings as in Ohio R.C. 2929.01.
- (i) Vehicle Operation After Underage Alcohol Consumption Penalty. Whoever violates subsection (b) of this section is guilty of operating a vehicle after underage alcohol consumption and shall be punished as follows:
- (1) Except as otherwise provided in subsection (i)(2) of this section, the offender is guilty of a misdemeanor of the fourth degree. In addition to any other sanction imposed for the offense, the court shall impose a class six suspension of the offender's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege from the range specified in division (A)(6) of Ohio R.C. 4510.02.
 - (2) If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one or more violations of subsection (a) or (b) of this section or other equivalent offenses, the offender is guilty of a misdemeanor of the third degree. In addition to any other sanction imposed for the offense, the court shall impose a class four suspension of the offender's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege from the range specified in division (A)(4) of Ohio R.C. 4510.02.
 - (3) The offender shall provide the court with proof of financial responsibility as defined in Ohio R.C. 4509.01. If the offender fails to provide that proof of financial responsibility, then, in addition to any other penalties provided by law, the court may order restitution pursuant to Ohio R.C. 2929.28, in an amount not exceeding \$5,000.00 for any economic loss arising from an accident or collision that was the direct and proximate result of the offender's operation of the vehicle before, during or after committing the violation of subsection (b) of this section. (ORC 4511.19(H))
- (j) Physical Control Penalty. Whoever violates subsection (d) hereof is guilty of having physical control of a vehicle while under the influence, a misdemeanor of the first degree. In addition to other sanctions imposed, the court may impose on the offender a class seven suspension of the offender's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege from the range specified in division (A)(7) of Ohio R.C. 4510.02. (ORC 4511.194)
- (k) Compliance With Ohio R.C. Chapter 5119 Standards.
- (1) No court shall sentence an offender to an alcohol treatment program under this section unless the treatment program complies with the minimum standards for alcohol treatment programs adopted under Ohio R.C. Chapter 5119 by the Director of Mental Health and Addiction Services.
 - (2) An offender who stays in a driver's intervention program or in an alcohol treatment program under an order issued under this section shall pay the cost of the stay in the program. However, if the court determines that an offender who stays in an alcohol treatment program under an order issued

under this section is unable to pay the cost of the stay in the program, the court may order that the cost be paid from the court's indigent drivers' alcohol treatment fund.

- (l) Appeal Does Not Stay Operation of License Suspension. If a person whose driver's or commercial driver's license or permit or nonresident operating privilege is suspended under this section files an appeal regarding any aspect of the person's trial or sentence, the appeal itself does not stay the operation of the suspension.
- (m) Subsection (a)(1)J. of this section does not apply to a person who operates a vehicle while the person has a concentration of a listed controlled substance or a listed metabolite of a controlled substance in the person's whole blood, blood serum or plasma, or urine that equals or exceeds the amount specified in that subsection, if both of the following apply:
 - (1) The person obtained the controlled substance pursuant to a prescription issued by a licensed health professional authorized to prescribe drugs.
 - (2) The person injected, ingested, or inhaled the controlled substance in accordance with the health professional's directions.
- (n) The prohibited concentrations of a controlled substance or a metabolite of a controlled substance listed in subsection (a)(1)J. of this section also apply in a prosecution of a violation of Ohio R.C. 2923.16(D) in the same manner as if the offender is being prosecuted for a prohibited concentration of alcohol.
- (o) Conflict of Terms. All terms defined in Ohio R.C. 4510.01 apply to this section. If the meaning of a term defined in Ohio R.C. 4510.01 conflicts with the meaning of the same term as defined in Ohio R.C. 4501.01 or this Traffic Code, the term as defined in Ohio R.C. 4510.01 applies to this section. (ORC 4511.19)
- (p) Indigent Drivers Alcohol Treatment Fund. Twenty-five dollars of any fine imposed for a violation of subsection (a) hereof shall be deposited into the municipal or county indigent drivers alcohol treatment fund pursuant to Ohio R.C. 4511.193. (ORC 4511.193)

- (c) Upon the transfer of ownership of a motor vehicle, the registration of the motor vehicle expires, and the original owner shall immediately remove the license plates from the motor vehicle except that:
- (1) If a statutory merger or consolidation results in the transfer of ownership of a motor vehicle from a constituent corporation to the surviving corporation, or if the incorporation of a proprietorship or partnership results in the transfer of ownership of a motor vehicle from the proprietorship or partnership to the corporation, the registration shall be continued upon the filing by the surviving or new corporation, within thirty days of such transfer, of an application for an amended certificate of registration. Upon a proper filing, the registrar of motor vehicles shall issue an amended certificate of registration in the name of the new owner.
 - (2) If the death of the owner of a motor vehicle results in the transfer of ownership of the motor vehicle to the surviving spouse of the owner or if a motor vehicle is owned by two persons under joint ownership with right of survivorship established under section 2131.12 of the Revised Code and one of those persons dies, the registration shall be continued upon the filing by the survivor of an application for an amended certificate of registration. Upon a proper filing, the registrar shall issue an amended certificate of registration in the name of the transfer-on-death beneficiary or beneficiaries.
 - (4) If the original owner of a motor vehicle that has been transferred makes application for the registration of another motor vehicle at any time during the remainder of the registration period for which the transferred motor vehicle was registered, the owner may file an application for transfer of the registration and, where applicable, the license plates. The transfer of the registration and, where applicable, the license plates from the motor vehicle for which they originally were issued to a succeeding motor vehicle purchased by the same person in whose name the original registration and license plates were issued shall be done within a period not to exceed thirty days. During that thirty-day period, the license plates from the motor vehicle for which they originally were issued may be displayed on the succeeding motor vehicle, and the succeeding motor vehicle may be operated on the public roads and highways in this state.

At the time of application for transfer, the registrar shall compute and collect the amount of tax due on the succeeding motor vehicle, based upon the amount that would be due on a new registration as of the date on which the transfer is made less a credit for the unused portion of

the original registration beginning on that date. If the credit exceeds the amount of tax due on the new registration, no refund shall be made. In computing the amount of tax due and credits to be allowed under this division, the provisions of division (B)(1)(a) and (b) of ORC 4503.11 shall apply. At any time during the remainder of the registration period for which the first commercial car was registered, the owner may file an application for the transfer of the registration and, where applicable, the license plates, accompanied by the certificate of registration of the first commercial car. The amount of any tax due or credit to be allowed for a transfer of registration under this division shall be computed in accordance with division (A)(4) of this section.

No commercial car to which a registration is transferred under this division shall be operated on a public road or highway in this state until after the transfer of registration is completed in accordance with this division.

Upon a proper filing, the registrar or deputy registrar shall assign the special license plates to the motor vehicle owned or leased by the applicant and issue a new certificate of registration for that motor vehicle.
- (7) If a corporation transfers the ownership of a motor vehicle to an affiliated corporation, the affiliated corporation may apply to the registrar for the transfer of the registration and any license plates. The registrar may require the applicant to submit documentation of the corporate relationship and shall determine whether the application for registration transfer is made in good faith and not for the purposes of circumventing the provisions of this chapter. Upon a proper filing, the registrar shall issue an amended certificate of registration in the name of the new owner.

An application under subdivision (c) of this section shall be accompanied by a service fee equal to the amount established under O.R.C. 4503.038, a transfer fee of one dollar, and the original certificate of registration, if applicable.
