Re: Engineering Proposal
Hermitage Road Reconstruction

Dear Mr. Wetherholt:

Per your request, submitted herewith is our proposal to provide engineering services for the preparation of plans, specifications and contract documents for the reconstruction of Hermitage Road in the City of Gahanna.

The roadway will be reconstructed on present alignment and profile. ADA approved curb ramps will be constructed at pedestrian crossings. Storm drainage inlets will have to be relocated at some locations for curb ramp designs.

Plans and specifications will be prepared in accordance with the Ohio Department of Transportation, City of Columbus and City of Gahanna standards, policies and procedures.

The final plans will include:

- Title Sheet
- Typical Sections
- General Notes
- General Summaries
- Plan Sheets and Details
- Storm Drainage Modification Plans

Upon completion of the final plans, a construction cost estimate will be prepared along with final specifications and contract documents for competitive bidding.

Copies of the plans, specifications and contract documents will be prepared for distribution to contractors for bidding.

Page 2 of 2

We will attend the bid opening and provide recommendation as to the lowest and best bid received.

The preparation of plans, specifications and bid documents will be completed within 2 months after authorization to proceed. The engineering fee will be a lump sum of \$14,200.00.

We appreciate the opportunity to submit this proposal.

Sincerely,

A handwritten signature in cursive script that reads "William E. Stilson".

William E. Stilson, P.E.
President
