ACTION ITEMS

ACTION ITEM #1: AMENDMENT OF THE CODIFIED ORDINANCE OF GAHANNA, SECTION 133.099

The current language in Gahanna Code §133.099 - Special Projects Fund, was adopted in 2005 and no longer mirrors Ohio Revised Code §1901.23(B)(1)(a), which provides for creation of the Fund. The current language of Gahanna's code restricts the fee that can be charged as well as the expenditures for which it can be used.

The Court respectfully requests Council to issue an Ordinance to amend Gahanna Code §133.099 – Special Projects Fund, to update the City's existing code language to align with the requirements and guidelines set forth in the Ohio Revised Code. A proposed amended version of Gahanna Code §133.099 is attached to this report.
