**Subject:** Three Creeks Senior Living - Water and Sewer Final Acceptance

Rob,

Regarding the domestic water and sanitary sewer underground utilities installed at 5435 Morse Rd in Gahanna, Three Creeks Senior Living, please accept this correspondence as notice that we believe all work is substantially complete per the approved plans and local requirements.

Can you please provide final acceptance so that we can consider the project complete?

Best Regards,

**Mike Graese**  
Project Manager
