AFFIDAVIT

I, Kimberly Banning, City of Gahanna Clerk of Council, attest that Kayla Holbrook, my Deputy Clerk of Council, notified me on Thursday, February 23, 2017, that the digital recording for the February 22, 2017 Planning Commission Meeting was not on the compact flash drive. She indicated the minutes were complete, however, when she went to save the digital recording, she didn't see the file. She explained she followed normal procedures for recording the meeting. Subsequently, I contacted Sound Communications, the company we use for maintenance on our audio equipment, he tested it and made adjustments to the system. The system has been working properly since the repair was made.
