E. APPLICATIONS - PUBLIC COMMENT

At this time Hicks opened the Public Comment portion of the meeting; anyone wishing to address the Commission knowing that they cannot take any action tonight, must state name and address and has three minutes to talk.

Tom Liskay 457 Tresham Rd., Gahanna OH provided a copy of a letter he sent to the Commission on April 3, 2019 regarding the Gahanna Land Use Plan (draft) pages 76 and 77; has concerns regarding the recommendation to change some of the residential lots in the Foxboro subdivision to be redefined as mixed use; the Heartland Plan and the North Triangle Plan were not referred to in the current draft of the Gahanna Land Use Plan; both plans are good plans; focus area number two which is the central corridor of Hamilton Road down to the High School; Liskay urges the Commission to maintain the existing low density housing and removing the mixed use for the Foxboro Subdivision from the draft plan; this is an established subdivision, people have been living there for years, the homes are well maintained and mostly owner occupied and the homes are a good value.

Mr. Liskay's comments were added to File 2019-0053 Gahanna Land Use Plan

Development Deputy Director Blackford shared that staff is aware of Mr. Liskay's request and agrees with him that the area should be single family and should remain low density residential; a recommendation was given to the consultant to change it; staff is waiting to make any final recommendations until it goes to Planning Commission.

Hicks stated that due to no quorum Item C, approval of the April 10, 2019 minutes and Item E, The Design Review will be considered at the next regularly scheduled meeting on May 22, 2019.
