RE: Report to Council, September 23, 2019

ACTION ITEM #1: STORMWATER AWARENESS WEEK RESOLUTION

Franklin Soil and Water Conservation District (FSWCD) is again promoting Stormwater Awareness Week, October 20-26th, as a regional outreach program. This is to help raise awareness of stormwater quality and quantity concerns throughout Franklin County. FSWCD are asking municipalities to partner with them to help with this effort as this also goes towards fulfilling some of the NPDES MS4 outreach requirements. We are respectfully requesting a resolution to authorize the Mayor to partner with Franklin Soil and Water Conservation District for the Stormwater Awareness Week outreach program (Resolution attached.)

UPDATE

2020 SIDEWALK MAINTENANCE PROGRAM UPDATE

Service and Engineering will be presenting a proposal to use the services of a consultant to complete an initial inspection of representative sidewalks across the city. Upon evaluating the findings of this initial inspection, Service and Engineering will present to council a phased inspection program to guide the proposed Sidewalk maintenance program targeting those City districts in greatest need. Funding options will need to be evaluated at that time based on the evaluations.
