<b>LEASING PROGRAM</b>			
In the event that this investment is beyond your Capital budget or Grant Funding,			
<b>ASK TDSI for a "Leasing Solution"</b>			
We have a Strategic Leasing Partner who will offer special government leasing programs to spread out the cost of this project.			
	Your monthly lease for 60 Months could be	\$	528.25
	Your monthly lease for 36 Months could be	\$	831.92
You would own the system at the completion of the lease.			
For an exact quote ask your Total Data Solutions Account Executive for a formal leasing proposal			
Note: This is a budgetary quote only. The final lease payment are subject to change based on credit evaluation, term and conditions of lease and current financing rates.
