RE: Vista Plaza—Final Development Plan (FDP 0001-2015) and Certificate of Appropriateness (DR 0001-2015) Cases

Dear Bonnie and Michael,

We request that the above-referenced matters be tabled from the March 25th Planning Commission Hearing to the April 8th Planning Commission Hearing. We are working on the issues which were raised at the meeting by the commissioners. Our transportation engineer more time to review the traffic issues. We are also examining how it may be possible to address the landscaping issues which was raised. The additional time allow us to better manage these issues.

I will be out of town on the 25th so please let me know if we need to have someone at the meeting to acknowledge our request.

Please feel free to call me if you have any questions.
