TRANSFER EXEMPT PERMIT APPLICATION TO AN ECONOMIC DEVELOPMENT PROJECT

Ohio Revised Code 4303.29 allows for the transfer of location or the transfer of ownership and location of a C-1, C-2, D-1, D-2, D-3, or D-5 permit from a municipal corporation or the unincorporated area of a township to an economic development project located in another municipal corporation or the unincorporated area of another township in which no additional permits of that class may be issued to the applicant under the permit quota. However the transfer may occur only if the applicant notifies the municipal corporation or township to which the location of the permit will be transferred regarding the transfer and the municipal corporation or township acknowledges in Section B of this application OR in writing to the Division of Liquor Control, that the transfer will be to an economic development project. (Section B has been provided on this application as the statute now requires the municipal corporation or township to submit the acknowledgment at the time the application for the transfer is filed with the division). A permit may be transferred to a different owner at the same location, or to the same owner or a different owner at a different location in the same municipal corporation or in the unincorporated area of the same township, as long as the same or new location meets the economic development project criteria set forth in this section...

GENERAL INFORMATION

The applicant will be required to submit a transfer of ownership, location or transfer of ownership and location application along with the \$100.00 Processing Fee for the transfer of this permit. Please refer to the general instructions for filing either a transfer of ownership/location application and submit DLC Form 4120 (Ownership & Location) or DLC Form 4118 (Transfer of Location only).
