Council

Mr. Leeseberg commented on an email received from a Joann Q. Public regarding Civil Service Commission hearing grievances from the school district.

Mr. Mularski said that it is true that the teachers, since they don't have a contract right now, it would go in front of the Civil Service Commission. If

there is a member with a conflict of interest, which happens in small cities like ours, they would just need to state on the record why they have a conflict of interest and they would recuse themselves and the matter can still be heard.

Mr. Larick asked isn't our Civil Service process several steps down the process?

Mr. Mularski replied it would be if they had a contract. With a contract they would have to exhaust all their collective bargaining issues.

Mr. Larick asked if they weren't working under an extension of their old contract.

Mr. Mularski said he didn't know the answer to that.

L. COUNCIL COMMENT

Mrs. Angelou said she was looking forward to Ohio State Buckeyes and Hang on Sloopy, and Columbus Day and Halloween and it's time to reflect on the past 6 months and what would have you been doing if there wasn't a pandemic. She quoted Nelson Mandela "No one is born hating another person because of the color of his skin, or his background, or his religion. People must learn to hate, and if they can learn to hate, they can be taught to love for love comes more naturally to the human heart than its opposite." She wished everyone a good week.

Ms. Bowers thanked Ms. Baker for her service tonight and to the City of Gahanna. She said she wished we weren't in this position and that all the kids could be in school. She urged compassion and understanding and sends regards to a successful mediation as they move forward. She has added her constituent update (attached). Councilmember Renner and Ms. Bowers will be participating in West Side Pride (flyer attached). She added that October is also National Pregnancy and Infant Loss Awareness month. She wanted to make sure we support everyone

where they are.

Mr. Renner thanked Ms. Bowers for mentioning the West Side Pride function. This is a good step to start getting everyone together and will hopefully bridge over to City Hall to get involved. He thanked Mrs. Angelou for her quote and that we need to be sensitive to what is going on. He added that he serves the community as a whole and wants to promote wholeness and so he supports the School system as a whole. He said that he participated the New American Advisory Council on Sept 25th and the theme was about community engagement in the time of COVID-19. We do have new Americans in Gahanna and understanding them, and their community is very important.

Mr. Schnetzer said that he was glad to hear the resident input of the Design Code was nigh. He thanked the Mayor for ensuring that this component is carried out.

Mrs. McGregor said she has seen how many of our utilities are underground, recently, gas, sewer cleaning and electric lines have been replaced this summer and she appreciates all of these services.

Mr. Leeseberg thanked Betsy Baker for her presentation.
