**Re: Location and Data Management of Existing 16" Watermain, Hamilton Rd, Franklin Co. - Gahanna, OH.**

Dear Mr. Reed:

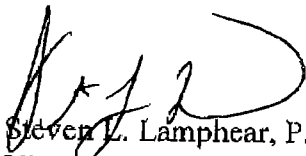

Utilocate is pleased to provide you with our **cost plus fee** for the referenced project.

**Total all fees: \$6,733.00**

This fee assumes up that up to fourteen test holes will be required to expose the existing watermain to determine the depth to the top of the main. All on-site control will be provided. This fee includes up to two days of hydrovac excavation equipment, ten cubic yards of flashfill, two days of on site designation of the utilities to be exposed, project management and up to four hours of a survey crew for data collection. Traffic management, if required, will be invoiced at cost. This fee assumes that all test holes will be completed in the grass.

If you have any questions or need additional information please call me.

Very truly yours,  
Utilocate

  
Steven L. Lamphear, P.S.  
Vice President
