COUNCIL OFFICE
VILLAGE RECORDS GRANT PROJECT UPDATE
AUGUST 26, 2024

Grant Progress & Timeline

- In April, Council Office was awarded \$2,940 in Ohio Historical Records Advisory Board (OHRAB) grant funds to scan and make accessible historical records.
- In May and June, ScanWorks and intern Charlie Schneider scanned Village of Gahanna records dating 1881-1970. These include meeting minutes, ordinances, and resolutions.
- At the halfway point, scanning is complete and over 20 years of Gahanna Village Council meeting minutes are online.
- By the end of 2024, all Village Council meeting minutes will be posted on the City's legislative site.
