DISCUSSION

Angelou asked about the trails; was driving along New Albany Country Club; said they have a split rail fence; said there was no difference in our trail proposed and that trail; asked if that would be similar in best practices; Euton said he does not know the site; would depend on how the holes are laid out and which way they hit; does know there are trails that do not have the fences; said he is not familiar; Angelou said it looked very similar and question whether we need the fencing at all.

Angelou said there was a good comment on Facebook about how great the pools were in Gahanna.
