CITY OF GAHANNA  
DEPARTMENT OF TECHNOLOGY

---

TO: Gahanna City Council  
Becky Stinchcomb, Mayor

FROM: Rory Gaydos, Director of Technology

DATE: November 4, 2015

RE: **REPORT TO COUNCIL FOR Monday, November 9, 2015**

**ACTION ITEMS:**

The Technology Department respectfully requests the following Council Action:

Action Requested:

Council to authorize a motion resolution to transfer the following amounts from:

- GIS FT Admin Hourly fund (101.355.5106) in the amount of \$13,000.00
- To the GIS Contract Services fund (101.355.5249) totaling \$13,000.00

Purpose:

This account transfer will provide funding for services from GeoSearch, Inc. a nationally known GIS staffing agency for the recruiting and placement of a full time GIS Administrator. The GIS position has been vacant as of January 9<sup>th</sup> of 2015 despite our best efforts to fill the position through traditional recruiting efforts. Due to the importance and necessity of this position and duration this position has been vacant, this agency will help ensure we find the right candidate with the right skillset to backfill this critical position.

Additional Information:

There are sufficient funds in the 2015 appropriations to cover this motion resolution to transfer funds.

**COUNCIL UPDATES:**

Nothing at this time
