TO APPROVE THE TRANSFER OF THE CABLE TELEVISION FRANCHISE
HELD BY COAXIAL COMMUNICATIONS OF CENTRAL OHIO, INC., TO
INSIGHT COMMUNICATIONS OF CENTRAL OHIO, LLC

Written confirmation requested by Friday from Director of Finance and City Attorney
that this transfer approval carries all necessary financial and legal requirements
regarding the Franchise Fee by the new owners.

Referred to Consent Agenda (Duplicate)

NEW MATTERS**New Director of Network Operations Ernest Choung**

Chairman introduced Choung as the new network employee; felt the City is very
fortunate to have this gentleman on board. Mr. Choung recapped his credentials as
shown on his resume. Kneeland felt the advantage of Choung is that he has knowledge
of other systems; had managed several at O.S.U. Choung was welcomed aboard.

T.R.U. Training Software

Lap Top Computer for Detective Bureau

Chief explained this is needed on site by the special investigation team. Sometimes need
additional search warrants. Also in seizing, need to accurately account for items--to
inventory and control. Would need to have printing capabilities along with this lap top
for on-site investigations.

Refer to Network Operations

E-mail Addresses

Chairman advised Randy Allen will be back at work at the school next week, and a few
new E-mail addresses will be entered into the system--particularly for Choung and
Jordan.

Technology - Council Chambers

Cunningham advised the Elmo (overhead) is in need of a factory replaced part. Should be returned in about a week.

Jordan advised two electric panels are being repaired, and should be operational very shortly.

Code on CD

Cunningham had just received a sample disk from the Chicago software company. Chairman to sample and return for others to review.

PEG CUNNINGHAM, reporting
