Per your instruction this Petition is submitted for Annexation of my property to the City of Gahanna. This is my residence in which I intend to remain and my permanent address. My primary reason is to connect to the city sewer system available to my house front across route 62, Johnstown Rd. Jefferson township does not have availability of city sewer per attachment 5. City Gahanna, availability Attachment 3. At least 60 percent of my property borders Gahanna.

RE: City Sewer Availability

Dear Mr. Schafer:

This letter is being sent in response to your recent inquiry regarding the availability of City sanitary sewer for your property located at 4478 East Johnstown Road.

The City owns and maintains an existing 18-inch sewer main located across the street from your property, on the northwest side of East Johnstown Road. This sewer line could be tapped and utilized to provide sewer service to your property.

As you are aware, your property is not in the City of Gahanna, it is located in Jefferson Township. Therefore, in order to be able to connect to this sewer, you would need to annex into the City.

If there are any questions regarding this letter feel free to contact me at (614) 342-4005 or email at

Sincerely,
