Re: **Olde Gahanna Storm Sewers**

Dear Tom:

Thank you for the opportunity to submit the following proposal for surveying services for the above referenced project.

In accordance with our meeting of Thursday, June 8th, 2000, we hereby offer to provide horizontal and vertical location of the storm sewer manholes, catch basins and curb inlets, as delineated on the mapping provided to us, for a fee of four thousand eight hundred (4,800) dollars. This work would include—where possible, top of casting, invert and outlet location and elevation, pipe size and direction of flow. Any additional services would be billed in accordance with our current hourly rate schedule.

Again, thank you for your consideration. Should you have any questions or comments, please feel free to contact me.

Respectfully submitted,
Terra Surveying Services Co.
