Leeseberg said this is from the Code Review Committee they established at the beginning of the year; Ewald said we want to allow flexibility for urban deer program or urban programs through the Boy Scouts; our code prohibited open carry; some cases in Ohio have restricted this; looking to adjust this code; this was taken before the Committee reviewing different code sections; Police Chief Dennis Murphy said they are big proponents of this; McGregor asked if this is new; Ewald said will replace existing; Metzbower asked about point a; said then you list situations where you can; Ewald said second line deals with not being allowed to carry in the park; separating carrying from discharging; originally law enforcement were allowed to carry in a park; and people with permits; we didn't allow open carry; Larick said this is an interpretation issue; Ewald said is a constitutional issue; Schnetzer said this would permit open, concealed and law enforcement; Ewald said yes; this is defensible and our current code is not; McGregor said if you have a concealed carry and you cannot use it but you have to; Ewald said there will be circumstances; cannot allow discharging for no reason; very similar to Westerville's code; self-defense is separate; would be dismissed; is a defense to the charge; Schnetzer said the current code is not consistent with Ohio law but the proposed code is; Ewald confirmed; Metzbower asked if this was reviewed by outside counsel; Ewald said written in house and
