Clarification Regarding the Undisclosed Prospective Tenant Referenced in the 7/21/2025 Committee of the Whole meeting.

Dear Members of Council,

Thank you again for your time, thoughtful questions and careful consideration of the proposed Ordinance No. 0030-2025 in last night's Committee of the Whole Meeting.

As shared during the meeting last night, Ownership has received a Request for Proposal to Lease Gahanna Logistics Center from a prospective tenant. While the identity of the Company cannot be disclosed at this time, I can confirm that the interest party is not a Fortune 100, undisclosed E-Commerce company discussed in the July 7th memo circulated from Council Member Bowers.

The prospective tenant is a recognized national wholesaler whose products are commonly used by many of the small businesses currently operating in Gahanna.

We appreciate the opportunity to clarify this matter and respectfully request this statement be distributed to all Council members.

Sincerely,

Jonathan Postweiler
