Dear Council President Merisa Bowers,

Hello and Happy New Year! I wanted to reach out as your new State Senator for Ohio's 16th District, which includes the city you serve.

My office is here to be a resource for you and your residents. If any members of your community need assistance contacting a state agency, receiving public assistance or benefits, or sharing their thoughts on a Statehouse issue, we are ready to help. Additionally, you can reach out to my office to request state recognitions for individuals, businesses, and organizations who are doing great work and inspiring change in Ohio.

A little bit about me, I live in Dublin with my husband and our two children. I've come to the State Senate after spending six years in the Ohio House of Representatives. Outside of serving as your State Senator, I teach at the Ohio State College of Medicine and work as a hospitalist caring for adults and children in the inpatient setting.

If my office can be of any assistance to you or your neighbors, please don't hesitate to reach me at [liston@ohiosenate.gov](mailto:liston@ohiosenate.gov) or through my office phone at 614-466-5981.

I look forward to working with you to help make our communities stronger for generations to come. Thank you for all you do for your city.

I work for you,

## **Senator Liston**
