Project: 08-157
Description: RICE AVENUE BASIN
Bid Location: GAHANNA
Bid Date:

DESCRIPTION	AMOUNT
Clear and grub	
Catch basin 2-2B	
18" RCP Storm sewer	
Tie into existing catch basin	
8" SDR35 Storm sewer	
Pump and muck out pond	
Fill pond and grade site	
TOTAL BID:	\$23,118.50

Straw bales will be provided around CB as needed. Seeding and mulching is not included.

Does not include any survey or staking, property pins to be marked by City of Gahanna. Conie Construction will grade to proposed contours as close as possible by taking grades off of existing catch basins. Final grade will be made to drain lot.

Does not include any import or export, if additional dirt is needed it will be imported on a time and material basis.
