Communities, from Municipal Facilities and During Special Events

February 19, 2014

LEGAL NOTICE TO BIDDERS

Ten communities, including the Cities of Bexley, Dublin, Gahanna, New Albany, Reynoldsburg and Westerville, and the Townships of Blendon, Mifflin, Plain and Washington (collectively, "Participating Communities") hereby announce their Bid Process to select a Recyclable Materials Processing Facility ("Recycling Services"). This Bid Process offers an opportunity to provide Recycling Services to approximately 55,000 residential units in the Participating Communities. There will be an informational, non-mandatory pre-bid meeting for interested bidders on February 27, 2014, at the City of Dublin Service Center, 6555 Shier Rings Rd., Dublin, Ohio, 43016, at 10:00 a.m. Bid submissions are due by March 18, 2014. Bids will be accepted for a term not to exceed five (5) years. Upon acceptance of a Bid and issuance of a Notice of Award, all Recyclable Materials collected by the Collection Contractor from Residential Units, Municipal Facilities and/or at Special Events in the Participating Communities shall thereafter be delivered exclusively to the Bidder's facility. Bidders for Recycling Services shall submit Bids for a price to be paid per ton for accepted Recyclable Materials for processing, based upon Bidder's estimated volumes produced by Residential Units, Municipal Facilities and/or at Special Events. The award shall be based upon an analysis of the highest price and best Bid for the right to receive the Recyclable Materials. The Participating Communities will not consider Bids which require payment by the Participating Communities to the Bidder for acceptance of Recyclable Materials. No Bid will be considered that requires a Bidder be awarded any other service as a condition of acceptance of any Bid. If selected, Bidders must secure a Performance Bond as required by each Participating Community for the Recycling Services.

The Participating Communities will receive sealed Bids for Recycling Services in care of the City of Dublin Service Center, 6555 Shier Rings Rd., Dublin, Ohio, 43016, until 3:30 p.m. on March 18, 2014, which will then be publicly opened and read aloud. All Bids shall: a) be submitted on the Bid Forms contained in the Bid Documents; b) contain all information/documentation required by the Bid Documents; c) be returned in sealed envelopes, marked "CONSORTIUM RECYCLING SERVICES BID;" d) include one (1) original and eleven (11) hard copies; **OR** (1) original and an electronic copy; and e) unless a Bidder has made alternative arrangements, include a separate Bid Bond for each Participating Community as security that if the Bid is accepted, a separate agreement will be entered into with each Participating Community within 10 days of the Notice of Award, in accordance with the terms and conditions of the Agreements in the Bid Documents.

Bids will be considered valid until 180 days after the Bid Opening Date, although not accepted or rejected. More detailed Instructions to Bidders are contained in the Bid Documents. Each Participating Community reserves the right to abandon the Bid Process and to reject all Bids at any time. Copies of the Bid Documents are available on SWACO's website at <http://www.swaco.org/public-notice.aspx>; from René L. Rimelspach, Eastman & Smith Ltd., rlr@eastmansmith.com, 614-564-1445; or may be obtained from each Participating Community pursuant to its public records policy.

**OVERVIEW OF INVITATION TO BID AND INSTRUCTIONS TO BIDDERS
FOR THE PROVISION OF RECYCLING SERVICES**

Ten communities, including the Cities of Bexley, Dublin, Gahanna, New Albany, Reynoldsburg and Westerville, and the Townships of Blendon, Mifflin, Plain and Washington (collectively, "Participating Communities") issue this Invitation to Bid for the purpose of obtaining Bids for Recycling Services. Capitalized terms used throughout this Overview of Invitation to Bid and Instructions to Bidders for the Provision of Recycling Services and attached Bid Documents are defined in Exhibit B, Definitions.

Introduction. The Participating Communities issue this Invitation to Bid for the purpose of obtaining acceptance of delivery and processing of Recyclable Materials generated in and collected from Residential Units in the Participating Communities, from Municipal Facilities and during certain Special Events within the Participating Communities (hereinafter "Recycling Services").

This Bid Process offers Bidders an opportunity to provide the Recycling Services to Residential Units in the Participating Communities, as well as to Municipal Facilities and during certain Special Events, if any. The Participating Communities estimate that collectively, they are comprised of approximately 55,000 Residential Units. This information is provided for the Bidder's convenience only, as the actual number of Residential Units will vary over the course of the contract period.

There will be an informational, non-mandatory pre-bid meeting for interested bidders on February 27, 2014, at the City of Dublin Service Center, 6555 Shier Rings Rd., Dublin, Ohio, 43016, from 10:00 a.m. until 11:00 a.m.

Bid submissions are due by March 18, 2014. Upon acceptance of a Bid by the Participating Communities, issuance of a Notice of Award, and execution of final Recycling Services Agreements, all Recyclable Materials generated by Residential Units, Municipal Facilities and during certain Special Events within the Participating Communities shall thereafter be delivered by the Collection Contractor exclusively to the Identified Facility (or Facilities).

Qualified Bidders are invited to respond to the Invitation to Bid if they desire to provide the Recycling Services for Residential Units, Municipal Facilities and for Special Events located within the Participating Communities, if any. Bidders must possess the necessary experience, knowledge, equipment, facilities, permits, licenses, and insurance needed to provide the required Recycling Services upon which they are bidding, and be able to fulfill all of the terms and conditions contained in the attached Recycling Services Agreement. Bidders are required to submit proof of qualifications, references, experience and financial good standing to be considered for a Bid award. Inexperienced or unqualified Bidders will not be considered.

Bidders must submit a complete set of Bid Documents to the Participating Communities in the manner described herein. After receiving the Bids, the Participating Communities will review all Bids and recommend a Successful Bidder for provision of the Recycling Services. The

Participating Communities will execute an agreement with the Successful Bidder on an individual basis that is substantially in the form of the draft agreement contained in the Bid Documents.

Bids by corporations must be executed in the corporate name by the president or a vice-president (or other corporate officer accompanied by evidence of authority to sign such Bid) and attested by the secretary or assistant secretary of the corporation. The corporate address and state of incorporation must be shown below the signature. Each Bid by a corporation must include the Corporate Affidavit. Each corporate Bidder must also submit evidence of good standing in the Bidder's state of incorporation and that the Bidder is qualified to conduct business in the State of Ohio. Bids by partnerships must be executed in the partnership name and signed by a partner, whose title, if any, must appear under the signature. Proper evidence of the authority of the partner who signs the Bid must accompany the Bid. The official address of the partnership must be shown below the signature. Every Bid shall be signed and, if necessary, shall be accompanied by an appropriate power of attorney. Attorneys-in-fact who sign any Bid Documents must include with the submitted Bid a copy of the valid power of attorney.

If the Bidder is not qualified to conduct business in the State of Ohio, the Bidder must represent and warrant to the Participating Communities that the Bidder will take all necessary steps to qualify to conduct business in Ohio, should the Bidder become a Successful Bidder. The failure of the Bidder to submit evidence of its qualification to conduct business within the State of Ohio within fourteen (14) days of Notice of Award shall terminate the award and surrender the Bid Bond(s) or other bid security to the Participating Communities.

Each Bidder shall execute and submit the Non-Collusion Affidavit and the Personal Property Taxes Affidavit at the time of submitting the Bid. Each Bidder shall complete and attach a Qualifications and Financial Capability Statement, explaining in detail the experience of the Bidder in performing work similar to the Recycling Services. The Qualifications and Financial

Capability Statement shall include a list of management employees who will supervise performance of the Required Services. The Qualifications and Financial Capability Statement shall also include appropriate business and bank credit references with contact information who can be contacted to verify the financial condition of the Bidder. The Participating Communities reserve the right to request additional information with respect to the qualifications and financial condition of any and all Bidders, their subcontractors or personnel, which must be provided in writing within five (5) days of any such request.

Each Bid shall include a separate Bid Bond in the amount of five thousand dollars (\$5,000.00) for each Participating Community as security that if the Bid is accepted, an agreement will be entered into within ten (10) days of the Notice of Award, in accordance with the terms and conditions of the Agreement contained in the Bid Documents with each individual Participating Community. The Bid Bonds of all Bidders shall be returned when the Participating Communities have executed the Recycling Services Agreement with a Successful Bidder and have been furnished with the necessary Performance Bonds, or when any or all Bids have been rejected.

In addition to the required Bid Bond, unless waived by an individual Participating Community, a Successful Bidder, within ten (10) days after receiving Notice of Award, shall furnish a Performance Bond executed by a duly authorized surety, acceptable to each individual Participating Community in all respects, in the amount of twenty-five thousand dollars (\$25,000.00). The Performance Bond shall serve as a guarantee that if an Agreement is entered into, the Required Services will be fully performed. A Performance Bond for the Recycling Services Agreement shall be maintained in the amount of twenty-five thousand dollars (\$25,000.00) for the entire term and any optional extension of the agreement. No surety shall be released from any Performance Bond until a replacement bond is secured and executed.

Services Provided and Compensation. The Successful Bidder shall accept and process for recycling a single stream of commingled Source-Separated Recyclable Materials, including all materials identified on the Bid Form. As markets and technologies change, specific materials may be added or deleted from the list of Recyclable Materials upon mutual agreement of the parties. However, the Successful Bidder shall accept and process for recycling not less than seven (7) of the following Recyclable Materials: plastic containers (including plastics 1-7), corrugated cardboard, office paper, newspaper, glass containers, steel containers, aluminum containers (food and beverage containers only), lead acid batteries, major appliances, or wood packaging and pallets, which the Bidder must identify on the Bid Form.

Bidders for the Recycling Services shall submit Bids for a price per ton based upon the Bidder's estimate of the potential volume of Recyclable Materials. If submitted, the highest price Bid for the Recycling Services shall be based upon the highest amount per ton of any monetary payment by the Bidder to the Participating Communities for Recyclable Materials. All bids shall be submitted in dollar amounts, and shall include any and all costs of acceptance and processing of Recyclable materials. The revenues will be paid to each individual Participating Community in proportion to the tonnage of Recyclable Materials delivered, or to the Participating Community's Recyclable Materials Collection Contractor, at the option of the Participating Communities.

If a Bidder proposes an alternate arrangement to share Recyclable Materials revenues with the Participating Communities, the calculation of such revenues should be tied to a mutually agreed-upon verifiable source. The Bidder and Participating Communities must also agree upon a base-line amount, and regular adjustment periods, at least once annually when making adjustments to the Bid price. If compensation other than a price per ton is proposed as an incentive to share Recyclable Materials sales revenues with the Participating Communities, the details of such proposal must be submitted with the Bid Form on a separate page or pages.

Consideration of Bids. All Bids received in conformity with the Legal Notice to Bidders and the specifications herein shall be considered as soon as practicable and become a public record. An abstract of the Bids will be made available after the opening of Bids.

Bidders for Recycling Services shall submit Bids on a per ton payment amount for acceptance and processing of Recyclable Materials based upon Bidder's estimated monthly volumes produced by Residential Units, Municipal Facilities and/or during certain Special Events in the Participating Communities. The Participating Communities will award the agreement to the Bidder that the Participating Communities determine, in the sole discretion of each individual Participating Community, to be the highest price and best Bid for the Recycling Services ("highest and best"). The "highest and best" Bid for Recycling Services shall be determined by the Participating Communities based upon the highest price per ton amount of payment, if any, by the Bidder to the Participating Communities for the right to receive the Recyclable Materials, as well as the best non-monetary terms and conditions. Bidders may also bid \$0.00 per ton, which means that Bidders will accept and process Recyclable Materials generated by Residential Units, Municipal Facilities and during certain Special Events within the Participating Communities for no charge and for no payment to the Participating Communities. However, Bidders may not charge the Participating Communities for the acceptance and processing of Recyclable Materials.

Bidders for the Recycling Services are also permitted to propose alternative revenue-sharing arrangements for the delivery of Recyclable Materials. In the event that the Bids from more than one Bidder are of equal price, non-monetary criteria shall be considered as part of the determination of the "best" bid.

No Bid will be considered that requires a Bidder be awarded any other service as a condition of acceptance of any Bid. Bidders must disclose any and all exceptions to the Recycling Services Agreement and provide proposed substitute or revised language for any such exception to avoid a determination by the Participating Communities that any such exception is a conditional Bid. The Participating Communities will not accept any alternative contract language that affects price.

The Participating Communities may conduct any investigation deemed necessary to assist in the evaluation of any Bid and to establish the responsibility, qualifications and financial ability of any Bidder, proposed subcontractors and other persons and organizations who will provide the materials or equipment or assist the Bidder in the delivery of the Recycling Services.

The Participating Communities will deliver a Notice of Award within 30 days of approval by each individual Participating Community's legislative authority. When the Participating Communities send such Notice of Award to the Successful Bidder, it will forward two (2) unsigned counterparts of the Recycling Services Agreement. Within ten (10) days thereafter, Successful Bidders shall sign and deliver to the Participating Communities at least two (2) counterparts of such agreement. If any Successful Bidder fails to execute and return the agreement within ten (10) days of receiving a Notice of Award, then the Participating Communities, at their sole option, may determine that the Bidder has abandoned the agreement. The Participating Communities may then determine that the Bid is null and void, and the Bid Bond or other acceptable Bid security accompanying the Bid shall be forfeited to and become the property of the City or Township.

Notwithstanding the above, the Participating Communities reserve the right to negotiate agreement terms, as permitted by law, with the Bidder determined to be highest and best, and the right to accept or reject any or all Bids. Each Participating Community further reserves the right to abandon participation in the Bid Process at any time and for any reason; reject any Bid that is determined to be unresponsive or conditional; or waive any and all nonconformities or irregularities contained in the Bid that do not affect price. Such rights shall be at the sole discretion of each Participating Community.

Bid Submission Process. The Participating Communities will receive sealed Bids for Recycling Services in care of the City of Dublin Service Center, 6555 Shier Rings Rd., Dublin, Ohio, 43016, until 3:30 p.m. on March 18, 2014, which will then be publicly opened and read aloud. All Bids shall: (a) be submitted on the Bid Forms contained in the Bid Documents; (b) contain all information/documentation required by the Bid Documents; (c) be returned in sealed envelopes, marked "CONSORTIUM RECYCLING SERVICES BID;" (d) include one (1) original and eleven (11) hard copies; **OR** (1) original and an electronic copy; and (e) unless a Bidder has made alternative arrangements, include a separate Bid Bond in the amount of \$5,000 for each Participating Community as security that if the Bid is accepted, an agreement will be entered into within ten (10) days of the Notice of Award, in accordance with the terms and conditions of the Agreement contained in the Bid Documents.

Bids may be modified or withdrawn by an appropriate document duly executed and delivered to the place where Bids are to be submitted at any time prior to the opening of Bids.

Bids will be considered valid until 180 days after the Bid Opening Date, although not accepted or rejected. The Participating Communities may, in their discretion, release any Bid prior to that time and return the Bid Bonds.

Copies of the Bid Documents are on file and may be obtained from any Participating Community as provided by each Participating Community's public records policy, and may also be obtained from the Solid Waste Authority of Central Ohio ("SWACO")'s website at <http://www.swaco.org/public-notice.aspx>; or from René L. Rimelspach, Eastman & Smith Ltd., rlr@eastmansmith.com, 614-564-1445. Interested Bidders will be requested to provide the following information: (1) name of potential Bidder requesting the Bid Documents; (2) name of

the individual to whom the Bid Documents are to be addressed, and the name of the individual to contact by telephone, if different; (3) mailing address of the potential Bidder; (4) telephone and facsimile numbers of the potential Bidder; and (5) e-mail address to which any addendums to the Bid Documents are to be addressed. **Providing complete information is the only way to ensure that interested Bidders receive subsequent Bid addendums, if any.**

Representations and Warranties. By submitting a Bid, each Bidder represents and warrants to the Participating Communities that:

- (1) Bidder has read and understands the Bid Documents;
- (2) Bidder will provide the Recycling Services in compliance with all federal, state and local laws, ordinances, rules and regulations that may in any manner affect costs, progress or performance of the Required Services;
- (3) Bidder and Bidder's agents and subcontractors shall not discriminate, by reason of race, color, religion, sex, military status, national origin, disability, age or ancestry, against any person or employee of the Bidder.

Questions. No interpretation of the meaning of the Instructions to Bidders or Bid Documents will be made to any Bidder orally. A written request for an interpretation of the Bid Documents may be addressed or e-mailed to René L. Rimelspach, Eastman & Smith Ltd., 100 E. Broad Street, 21st Floor, Columbus, Ohio, 43215, rlr@eastmansmith.com. Any such written request for interpretation must be received by March 6, 2014 to be given consideration and to ensure sufficient time for the Participating Communities to issue a response. Any interpretation or supplemental instructions will be in the form of a written addendum to the Instructions to Bidders and Bid Documents which, if issued, will be faxed or e-mailed to all prospective Bidders (at the respective facsimile number or e-mail address required to be furnished for such purposes), no later than March 11, 2014. Failure of any Bidder to receive any such interpretation or addendum shall not relieve such Bidder from any obligation under their Bid as submitted. Any addendum issued shall become part of the Bid Documents and will be available for inspection in the same manner as the original Bid Documents.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

- The U.S. grantor or other owner of a grantor trust and not the trust, and
- The U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),
3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate Instructions for the Requester of Form W-9.

Also see *Special rules for partnerships* on page 1.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Name

If you are an individual, you must generally enter the name shown on your income tax return. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

Sole proprietor. Enter your individual name as shown on your income tax return on the "Name" line. You may enter your business, trade, or "doing business as (DBA)" name on the "Business name" line.

Limited liability company (LLC). Check the "Limited liability company" box only and enter the appropriate code for the tax classification ("D" for disregarded entity, "C" for corporation, "P" for partnership) in the space provided.

For a single-member LLC (including a foreign LLC with a domestic owner) that is disregarded as an entity separate from its owner under Regulations section 301.7701-3, enter the owner's name on the "Name" line. Enter the LLC's name on the "Business name" line.

For an LLC classified as a partnership or a corporation, enter the LLC's name on the "Name" line and any business, trade, or DBA name on the "Business name" line.

Other entities. Enter your business name as shown on required federal tax documents on the "Name" line. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on the "Business name" line.

Note. You are requested to check the appropriate box for your status (individual/sole proprietor, corporation, etc.).

Exempt Payee

If you are exempt from backup withholding, enter your name as described above and check the appropriate box for your status, then check the "Exempt payee" box in the line following the business name, sign and date the form.

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

Note. If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

The following payees are exempt from backup withholding:

1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2),
2. The United States or any of its agencies or instrumentalities,
3. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities,
4. A foreign government or any of its political subdivisions, agencies, or instrumentalities, or
5. An international organization or any of its agencies or instrumentalities.

Other payees that may be exempt from backup withholding include:

6. A corporation,
7. A foreign central bank of issue,
8. A dealer in securities or commodities required to register in the United States, the District of Columbia, or a possession of the United States,
9. A futures commission merchant registered with the Commodity Futures Trading Commission,
10. A real estate investment trust,
11. An entity registered at all times during the tax year under the Investment Company Act of 1940,
12. A common trust fund operated by a bank under section 584(a),
13. A financial institution,
14. A middleman known in the investment community as a nominee or custodian, or
15. A trust exempt from tax under section 664 or described in section 4947.

The chart below shows types of payments that may be exempt from backup withholding. The chart applies to the exempt payees listed above, 1 through 15.

IF the payment is for . . .	THEN the payment is exempt for . . .
Interest and dividend payments	All exempt payees except for 9
Broker transactions	Exempt payees 1 through 13. Also, a person registered under the Investment Advisers Act of 1940 who regularly acts as a broker
Barter exchange transactions and patronage dividends	Exempt payees 1 through 5
Payments over \$600 required to be reported and direct sales over \$5,000 ¹	Generally, exempt payees 1 through 7

¹ See Form 1099-MISC, Miscellaneous Income, and its instructions.

² However, the following payments made to a corporation (including gross proceeds paid to an attorney under section 6045(f), even if the attorney is a corporation) and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees, and payments for services paid by a federal executive agency.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited liability company (LLC)* on page 2), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting www.irs.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, and 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). Exempt payees, see *Exempt Payee* on page 2.

Signature requirements. Complete the certification as indicated in 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, social security number (SSN), or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

Call the IRS at 1-800-829-1040 if you think your identity has been used inappropriately for tax purposes.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS personal property to the Treasury Inspector General for Tax Administration at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or contact them at www.consumer.gov/idtheft or 1-877-IDTHEFT(438-4338).

Visit the IRS website at www.irs.gov to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons who must file information returns with the IRS to report interest, dividends, and certain other income paid to you, mortgage interest you paid, the acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA, or Archer MSA or HSA. The IRS uses the numbers for identification purposes and to help verify the accuracy of your tax return. The IRS may also provide this information to the Department of Justice for civil and criminal litigation, and to cities, states, the District of Columbia, and U.S. possessions to carry out their tax laws. We may also disclose this information to other countries under a tax treaty, to federal and state agencies to enforce federal nontax criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism.

You must provide your TIN whether or not you are required to file a tax return. Payers must generally withhold 28% of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to a payer. Certain penalties may also apply.

Recyclable Materials Revenue Sharing Program

Rumpke is pleased to provide the 2014 Consortium participating communities a financial incentive program that shares in the risk and rewards of the recycling commodities market. Rumpke is proposing a revenue sharing plan to reward the participating communities for recyclables collected within their respective City or Township.

Recyclable Materials Revenue Sharing Program
Rumpke will compensate each City/Township for all tonnage collected within their respective City/Township based on the following formula:
<u>Index:</u> As published in the <u>Official Board Markets (OBM)</u> , 1 st issue of month, Newspaper (8) Chicago market, High-side price
<u>Benchmark or Trigger Price:</u> \$125.00/ton, Newspaper #8
<u>Formula:</u> Rumpke will share evenly (50/50) with each City/Township any increase in the OBM published price of Newspaper (8) above the established benchmark of \$125.00/ton. Formula is calculated on a monthly basis.
<u>Tonnage Calculation:</u> Payment to each City/Township is based on <u>all</u> of the collected single-stream recyclables. The payment is based on collecting commercial single stream that does not exceed an aggregate contamination rate of greater > than 10%.

* OBM PRICES

Prices for grades designated "OBM" are a continuation of the prices originally published in Official Board Markets ("OBM", "The Yellow Sheet") and are reported on the same basis as published historically in OBM. See www.risi.com/RCPmethodology for a complete description of what has and has not changed about OBM prices. (Price not marked * are consistent with prices published historically in P&PW.)

SPECIFICATIONS

Prices represent open market board and paper mill purchases agreed to for delivery in the indicated month. Contractually indexed transactions are excluded. Specifications: baled; full-truckload quantities; exclusive of delivery charges, premium or distress lots, and of all subsequent charges for packing, handling, destination considerations, or other special charges. Grades and preparation requirements are as defined in the current ISRI Scrap Specifications Circular.

NOTES

1. Because of low mill buying volume, ONP (6) prices were discontinued as of Dec. 5, 2013.
2. Preconsumer.
3. The price on the low end of the range is for the Bay Area and the price at the top end of the range is for the Los Angeles area.
4. As of Oct 2012, these region names were changed from a city to a region (e.g. "Chicago" to "Midwest"). This is a change in title, not in methodology. All references to the new names (e.g. "Midwest") as they apply to each price series above are consistent with the legacy names (e.g. "Chicago").

STATEMENT OF QUALIFICATIONS AND EXPERIENCE

Rumpke Consolidated Companies, Inc. is one of the largest privately-owned integrated waste hauling and disposal firms in the United States. It traces its beginnings to 1932 when two brothers started a waste hauling company in the greater Cincinnati, Ohio area. In the years since, the Rumpke family has increased the corporation in size, scope and strength to consist of several companies with more than 2,400 employees working in more than 20 locations in Ohio, Kentucky and Indiana. Rumpke owns or operates nine landfills, seven recycling centers and numerous transfer stations. The Environmental Industry Association posthumously inducted the company founders in the waste industry Hall of Fame in 2000 for the company achievements through the years, including recycling initiatives. Rumpke of Ohio, Inc. and Rumpke Transportation Company, LLC are the operating units of Rumpke Consolidated Companies, Inc. for its facilities located within the State of Ohio.

After nearly 75 years, Rumpke Consolidated Companies is one of the largest and fastest growing waste collection and disposal firms in the Midwest, providing service to more than 400,000 subscription residential customers and over 65,000 commercial customers. Contracted service is currently provided to more than 300 cities, towns, villages and other governmental entities company-wide. A fleet of more than 1,600 trucks ensures prompt, efficient service.

Rumpke's Circleville, Ohio facility located at 819 Island Drive was established in 1989 and the Columbus, Ohio facility located at 1191 Fields Avenue was established in 1991. Currently these facilities house more than 135 trucks and employ more than 250 full-time employees serving Franklin, Pickaway, Madison, Union, Fayette, Licking, Ross, Vinton, Hocking, Fairfield and Delaware Counties.

Key management personnel for the Rumpke Circleville/Columbus facilities include the following:

- Andrew Rumpke, Regional Vice-President
- Steve Sargent, Director of Recycling
- Mike Darling, Municipal/Public Sector Representative

Rumpke's Circleville/Columbus operation provides contractual residential waste removal and/or recycling services to more than 25 municipalities within the Central Ohio area. This office provides subscription-type waste removal service to more than 40,000 residential customers and 3,000 commercial customers. In addition, subscription-type curbside recycling is provided to more than 20,000 residential and 200 commercial customers.

One of the key elements to a successful recycling program is the ability of the operator to market all processed materials. Rumpke has one of the largest existing infrastructures in the region for collecting, processing and marketing recyclable material. Rumpke operates recycling facilities in Columbus, Circleville, Cincinnati, Dayton, Lawrence County and Richland County, Ohio as well as Louisville, Kentucky. Rumpke's facilities are equipped to sort, bale and further process recyclables for shipment to end users. These locations accept material from both residential and commercial generators.

Currently, Rumpke processes and sells more than 40 million pounds of recyclables per month. All materials collected will be transported to Rumpke's Columbus Material Recovery Facility located at 1191 Fields Avenue for processing and shipment to market.

Through aggressive negotiations, Rumpke Recycling's marketing group has secured long-term guaranteed marketing agreements and long-standing relationships with key regional consumers in the recycling industry, such as Recycled Fibers of Ohio, Inland Container Corporation, Signode and Novelis. Coupled with the marketing relationships developed with our overseas partners such as American Chung-Nam, Rumpke Recycling provides the City of Columbus the security of a comprehensive marketing plan to support the City's projected growth in the future.

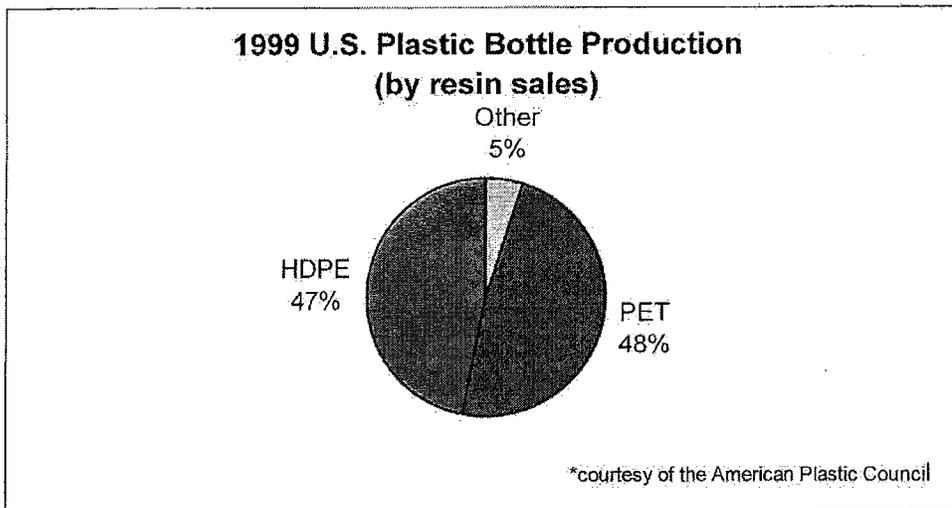

In June of 1991, Rumpke opened one of the company's largest recycling facilities in Columbus, Ohio. Located at 1191 Fields Avenue, the Rumpke Material Recovery Facility (MRF) sits on a 12-acre tract with nearly 300,000 square feet of available enclosed processing space. The Rumpke MRF is currently processing over 5 million pounds of post-consumer recyclables per month. This material is generated from the residential, commercial and industrial sectors in the Central Ohio area.

In May 2002 the Fields Avenue MRF began conversion from a two sort system to single stream processing with the installation of a new Container/Paper Screen. Rumpke's recycling facility in Columbus has a state-of-the-art one-sort screening system making it possible for glass containers, aluminum cans, #1-#7 plastic, steel food cans, newspaper and magazines to be mixed together at the curb or in drop-off boxes for mechanical separation at our Fields Avenue facility. Installed at a cost of 1.2 million dollars, the one-sort system greatly increases hauling efficiencies on handling recyclable material and encourages greater participation by making recycling easier.

In August 2011, after nearly two years of construction and renovation, the Fields Avenue MRF began processing at full capacity. The new MRF equipment includes five optical scanners which use infrared technology to mechanically separate recyclables. One scanner was partially funded through a grant from the Carton Council and allows Rumpke to accept cartons (such as milk cartons or juice boxes) for recycling. The facility also includes an overhead vacuum for plastic bags. The MRF uses single stream recycling to sort 60,000 pounds per minute, or double its pre-renovation rate. Cutting-

edge equipment, advanced technology and more than 2,530 feet of conveyor belt work together to separate unsorted material. The renovation has more than doubled the MRF's efficiency and improved its ability to conserve energy, natural resources and landfill space.

Rumpke has accepted all plastic bottles #1-#7 in some of its curbside programs since 2001. Analysis from the plastic industry shows that an all-plastic bottle #1-#7 collection increases diversion rates and keeps the program's messages fresh. Communities throughout the country that have moved to an "all plastic bottles" program have increased the recovery of #1 and #2 bottles by 13 percent. This approach also cuts down in confusion at the home by making the message simple, "all plastic bottles".

The American Plastics Council (APC) states that an "all plastic bottles" approach gets residents ***Thinking Outside the Ice Box***. Consumers are also using PET and HDPE in their bathrooms, pantries and laundries. Many of these bottles do not find their way to the bin because residents do not have the time to look at every bottle. The "all plastic bottles" message is simple -- *if it is a bottles, it goes in the bin.*

Another factor to keep in mind is that the plastic bottle market is dynamic. Brown PET bottles are being introduced at sporting events and in convenience stores. The plastic industry is already producing gray, red and purple PET bottles in Europe. It is only a matter of time before these bottles will be on the store shelves in the United States. An "all plastic bottle" message eliminates confusion at the home. Communities that have moved to all plastic bottles collection have not seen a greater increase in the #3s-#7s relative to the volumes generated in a #1s and #2s only approach.

Rumpke has taken a proactive stance in recycling in Ohio on providing post consumer and commercial recycling opportunities and has been a successful cooperative enterprise on implementing numerous Ohio Department of Natural Resources (ODNR) Market Development Grants. The ODNR funded tire shredding project in Butler County has provided an environmentally acceptable method to process waste tires for both Ohio residents and businesses. The ODNR funded project in Dayton for processing mixed

broken cullet into an acceptable material in fiberglass manufacturing has been very successful. Rumpke has been approved by Johns Mansville, Defiance, Ohio, to ship processed mixed broken cullet for use in their fiberglass manufacturing process.

Rumpke is the only waste hauling company in the country that has taken on the challenge of operating a facility that assures our customers that glass collected in our single-stream system is being recycled. Rumpke has worked with both for-profit and not-for-profit recycling entities in the Midwest to encourage comprehensive recycling thus reducing their dependence on landfills.

In February 2011 Rumpke announced its partnership with the Ohio Department of Natural Resources and Owens-Illinois to build enhanced technology to process glass. The \$2.5 million upgrade at its glass processing facility in Dayton created a product suitable for the glass container industry. Installation of the equipment was completed by mid-August 2011. State-of-the-art optical scanning technology makes recycling glass containers used by consumers, as well as bars and restaurants, easier and more economical. This collaborative effort further demonstrates Rumpke's desire to increase recycling in Ohio.

In 2008, Rumpke partnered with RecycleBank, the City of Montgomery, Hamilton County Solid Waste Management District and the Division of Recycling and Litter Prevention to develop a pilot incentive based curbside program. This program was successful in significantly increasing recycling volumes. Rumpke was the first waste hauling and recycling company in Ohio to offer the rewards based program to our customers. Currently, Rumpke continues to provide a similar RecycleBank curbside recycling program under its seven year contract with the City of Cincinnati.

In November 2013, Rumpke unveiled its largest, fastest and most technologically advanced recycling facility to date in St. Bernard, Ohio. The \$32 million, 100,000 square foot facility houses technology capable of sorting 55 tons of recyclables every hour. In all, the system designed by Machinex has the potential to process two million pounds of material daily. The facility currently serves 4.5 million residents in Cincinnati and beyond.

These success stories point to the innovative approach taken by Rumpke in creating a partnership with governmental entities to increase recycling participation and volumes while reducing risks and costs associated with volatile recycling markets. Rumpke's established markets along with innovative projects will help to insure the success of processing and marketing post consumer recyclable materials generated through recycling programs. The Rumpke Columbus recycling facility with its one sort technology is an innovative system and attests to Rumpke's commitment to provide user friendly recycling programs to residents of Franklin County and throughout Ohio.

The growth of the entire Rumpke organization has been a direct result of the Rumpke Family commitment to provide the very best service available at a fair price. These factors, combined with technology that is state-of-the-art in the waste industry, have made Rumpke one of the largest growing integrated waste management firms in the Region.
