Re: ODOT 520-Business Power Service Relocations

Dear Mike:

As requested, the cost to relocate the power service for the credit union building on the Northwest corner of Hamilton Road and Granville Street from the existing AEP pole to the new AEP pole is \$4,700.00.

The work would include the following:

- Removing sidewalk.
- Excavate and intercept duct bank and service cable.
- Remove Riser and cable from existing service pole.
- Re-route underground conduit and cable up AEP pole at new location.
- Re-connect service cables and restore power.

The above work will be coordinated with the City of Gahanna, AEP, and the property owners.

Sincerely yours,

Roger Householder
