Re: Permit V-0019-2024

As a concerned property owner, the fence located at 374 Mustangum Drive, Grahamma, OR 43230, is a concern to me. The fence was put up that it extends almost to the sidewalk. This makes it very hard for me to back out of my driveway. See kids riding their bikes, and people walking on the sidewalk.

Thank you for letting me submit this statement regarding my concerns about the fence located
