**Quote Reference: SF016400**

This GSA Cooperative Purchasing Program (Co-op) Price Quote includes prices for the purchase of i2 Software and/or Maintenance. The use of i2 software is subject to the terms and conditions of the GSA schedule contact number referenced above.

**Purchase orders with open market items must be clearly labeled on the order as items not on the Federal Supply Schedule.**

**System Requirements**

Supported Desktop Operating Systems: Windows Vista Business/Enterprise/Ultimate x86 (32-bit), Windows XP Professional x86 Service Pack 2, Windows 2000 Professional Service Pack 4, and Vista.

Supported Thin-Client Environments: Windows Server 2003 TSE, Windows Server 2003 R2 Standard/Enterprise x86 TSE (optionally with Citrix Presentation Server 4) Service Pack 1 and Service Pack 2, Windows 2000 Server/Advanced Server TSE (optionally with Citrix Presentation Server 4) Service Pack 4.

i2 is committed to updating its product suite to fully support Vista in the near future. More details on Windows Vista support including known issues is available in product specific Release Notes.

Please contact i2 Sales Support for updated specifications. Software products are licensed for (i) one standalone user per license (one unit), or (ii) network installations with concurrent users per license (one unit for each concurrent user). i2 software products include the software, media, documentation, and dongle and are subject to the warranty described below.
