ACTION ITEMS

ACTION ITEM #1: ANNUAL CODE UPDATES AND REVISIONS

Every year, the Department of Public Service & Engineering reviews Gahanna Code and fee schedules for necessary updates and revisions to ensure they remain current and applicable. The code changes requested for this year are routine annual changes and are minor in nature. Attached is an outline of the proposed code changes, together with red-lined versions of the proposed changes. These changes are being brought forth at this time due to timing of the Department's receipt of rates from the City of Columbus in addition to aligning with submission of the budget.

To implement these updates, the Administration is respectfully requesting that City Council pass ordinances to authorize the proposed code changes and fee schedule updates. To ensure that the Code and fee schedules are active by January 1, we are requesting that the ordinances be passed with a **Waiver**.
