ITEMS FROM THE CITY ENGINEER

1. Hamilton Road Phase A - ST 1033 - Contribution Agreement

Priestas said Columbus is planning to widen the road; the request is for our share of their project design; \$150k was budgeted in 2015 and \$15k was budgeted for 2016; Jolley asked if we discussed going all the way to the intersection; Priestas said this is the second phase of that project; will happen in 2018 or 2019; Mayor Stinchcomb said they are adding it to the project and expedited the project.

RECOMMENDATION: Consent Agenda.

2. Request for permission to apply to OPWC for Grant Funding

Priestas said this is to apply for grant funding; will be for the south Stygler Road widening project; need authorization to apply; Jolley asked if we can reconfigure the way vehicles are exiting US-62 and merging into the City; Priestas said will look into it; Jolley said it is too congested at rush hour and people do not follow the merge lines.

RECOMMENDATION: Consent Agenda.

ITEM FROM THE DIRECTOR OF PUBLIC SERVICE

1. Supplemental Appropriation - Sanitary Expense

Franey said try to anticipate the cost; may need a supplemental for the fourth quarter sanitary expense; Niagara can impact the sanitary expense; this means we sold more than expected; this is a good thing; Schnetzer asked if the sewer is metered; Franey said sewer is billed in the same manner as water; we only pay the City of Columbus what we bill for sanitary; Niagara is a very different calculation.

RECOMMENDATION: Consent Agenda.
