3. **CONTRACT TERM.** The Contract shall be effective from March 15, 2012 to October 31, 2016, (subject to the WSCA Directors' approval), unless sooner terminated by either Party as specified in paragraph 21 herein. Each Participating Addendum executed in connection with the Contract shall be effective from its corresponding effective date through the end of the Contract's term, unless otherwise specified in that Participating Addendum. Notwithstanding the foregoing, Contractor and the Lead State acknowledge and agree that Contractor may enter into a Participating Addendum with any Participant hereunder on or after this Contract's "effective from" date upon approval of the Lead State. Any such Participating Addendum so executed will be subject to the terms and conditions of this Contract.

Any cancellation under this provision (a) may be in whole or in part; and (b) shall not effect the rights and obligations attending orders outstanding at the time of cancellation, including any right of any Participating Entity to indemnification by the Contractor, rights of payment for goods/services delivered and accepted, and rights attending any warranty or default in performance in association with any order.

5. **INCORPORATED DOCUMENTS; ORDER OF PRECEDENCE.** The Contract consists of this document, entitled "Master Service Agreement," together with the following incorporated documents; Contractor's Special Terms and Conditions, the Solicitation, and the Response. The document entitled Master Service Agreement together with the Contractor's Special Terms and Conditions are intended by the Parties to be the primary Participating Entity-facing contractual document in connection with the Solicitation. To participate in the Contract, each Participating Entity must do so pursuant to a Participating Addendum. In the event of any conflict between the terms and conditions of any of the documents comprising or related to the Contract, the following order of precedence will control:

1. The applicable Participating Addendum and/or Sub-PA;
2. The Master Service Agreement;
3. Contractor's Special Terms and Conditions (Attachment AA);
4. The Solicitation (Attachment BB);
5. The Response (Attachment CC);
6. Any individual order placed on the Contract by a Participating Entity

Notwithstanding the foregoing, Contractor and WSCA expressly acknowledge and agree that the terms and conditions unique to the states of Arizona, Montana, Oregon, and Utah, which were included under Attachment K of the Solicitation, were for informational purposes only and are NOT incorporated into the Contract by inclusion in the Solicitation.

The parties acknowledge and agree that each Participating Addendum executed in accordance herewith incorporates the terms and conditions of the Contract, and that the corresponding Participating Entities will be bound to the terms and conditions of that Participating Addendum and the Contract.

Neither the Special Terms and Condition, nor any purchase order(s) issued under the Contract shall contradict or supersede any terms and conditions in the Contract without written evidence of mutual assent to such change(s) between Contractor and the Lead State.

6. [OMITTED]

7. **ASSENT.** The parties agree that the terms and conditions listed on incorporated attachments of this Contract are also specifically a part of this Contract and are limited only by their respective order of precedence and any limitations specified.

8. [OMITTED]

9. [OMITTED]

10. [OMITTED]

11. **CONSIDERATION.** The parties agree that Contractor will provide the services and products specified in, and in accordance with the Contract. Contracted prices represent ceiling prices for the supplies and services offered. Contractor shall report to the Lead State any price reduction or discount, or other more favorable terms offered to any Participating Entity and the Contractor agrees to negotiate in good faith to re-establish ceiling prices or other more favorable terms and conditions applicable to future orders. Bid prices must remain firm for the full term of the Contract. In the case of error in the extension of prices in the bid, the unit prices will govern. WSCA does not guarantee to purchase any amount under this Contract. Estimated quantities in the Solicitation are for bidding purposes only and are not to be construed as a guarantee to purchase any amount. If Contractor has quoted a cash discount based upon early payment; discounts offered for less than thirty (30) days have not been considered in making the award. WSCA is not liable for any costs incurred by the bidder in proposal preparation.

12. **PAYMENT.** Payment is normally made within thirty (30) days following the date the entire order is delivered or the date a correct invoice is received, whichever is later. After forty-five (45) days the Contractor may assess overdue account charges up to a maximum rate of one (1) percent per month on the outstanding balance. Payments will be remitted by mail. Payments may be made via a Participating State's "Purchasing Card."

13. **TAXES.**

13.1 Payable By Participating Entities. Prices shall be exclusive of state sales and federal excise taxes. Participating Entities may be required to show proof of any tax exemptions. Where a

Participating Entity is not exempt from sales taxes on sales within its state, such Participating Entity will be liable for such taxes, and Contractor shall add the sales taxes on the billing invoice as a separate entry.

13.2 Payable by Contractor. Contractor will be responsible to pay all taxes, assessments, fees, premiums, permits, and licenses required by law for it to pay. The Lead State's applicable real property and personal property taxes are the responsibility of Contractor in accordance with NRS 361.157 and NRS 361.159. Contractor agrees to be responsible for payment of any such applicable government obligations not paid by its subcontractors during performance of this Contract. The Lead State may set-off against consideration due any delinquent government obligation owed the Lead State in accordance with NRS 353C.190.

14. FINANCIAL OBLIGATIONS OF PARTICIPATING ENTITIES. Participating Entities' financial obligations are limited to such entities having available funds. Participants incur no financial obligations on behalf of political subdivisions. Unless otherwise specified in the Solicitation, the resulting award(s) will be permissive.

15. ORDER NUMBERS. To the extent described in the Response, Contract order and purchase order numbers shall be clearly shown on all acknowledgments, shipping labels, packing slips, invoices, and on all correspondence.

16. WSCA ADMINISTRATION FEE; REPORTS. The Contractor will pay WSCA an Administration Fee of $1/10^{\text{th}}$ of 1% (one-tenth of one percent) of the Total Wireless Spend, pursuant to the schedule of payments set forth in the Solicitation and Attachment G thereto. The Contractor shall submit quarterly reports to the WSCA Contract Administrator in accordance with the requisites of Attachment G to the RFP.

17. DELIVERY. The prices bid shall be the delivered price to any Participating Entity. All deliveries shall be F.O.B. destination with all transportation and handling charges paid by the Contractor. Responsibility and liability for loss or damage shall remain with the Contractor until final inspection and acceptance, when responsibility shall pass to the Participating Entity except as to latent defects, fraud and Contractor's warranty obligations.

18. HAZARDOUS CHEMICAL INFORMATION. The Contractor will provide one set of the appropriate material safety data sheet(s) and container label(s) upon delivery of a hazardous material to any Participating Entity. All safety data sheets and labels will be in accordance with each Participating State's requirements.

19. INSPECTIONS. Goods furnished under the Contract shall be subject to inspection and test by the Participating Entity at times and places determined by the Participating Entity. If the Participating Entity finds goods furnished to be incomplete or in non-compliance with the Contract, the Participating Entity may reject the goods and require Contractor to either correct them without charge or deliver them at a reduced price which is equitable under the circumstances. If Contractor is unable or refuses to correct such goods within a time deemed reasonable by the Participating Entity, the Participating Entity may cancel

the order in whole or in part. Nothing in this paragraph shall adversely affect the Participating Entity's rights including the rights and remedies associated with revocation of acceptance under the Uniform Commercial Code.

20. INSPECTION & AUDIT.

20.1 WSCA's Rights. The inspection and audit provisions of this §20.1 run to the benefit of WSCA, not to Participating Entities.

a. Books and Records. Contractor will maintain, or supervise the maintenance of all records necessary to properly account for the payments made to the Contractor for costs authorized by the Contract. Contractor agrees to keep and maintain under generally accepted accounting principles (GAAP) full, true and complete records, contracts, books, and documents as are necessary to fully disclose to WSCA, the Lead State or United States Government, or their authorized representatives, upon audits or reviews, sufficient information to determine compliance with all state and federal regulations and statutes.

b. Inspection & Audit. Contractor agrees that the relevant books, records (written, electronic, computer related or otherwise), including, without limitation, relevant accounting procedures and practices of Contractor or its subcontractors, financial statements and supporting documentation, and documentation related to the work product shall be subject, at any reasonable time, to inspection, examination, review, audit, and copying at any office or location of Contractor where such records may be found, with or without notice by WSCA; the United States Government; the State Auditor or its contracted examiners, the Department of Administration, Budget Division, the Nevada State Attorney General's Office or its Fraud Control Units, the State Legislative Auditor, and with regard to any federal funding, the relevant federal agency, the Comptroller General, the General Accounting Office, the Office of the Inspector General, or any of their authorized representatives. All subcontracts shall reflect requirements of this paragraph.

c. Period of Retention. All books, records, reports, and statements relevant to this Contract must be retained a minimum four (4) years after the Contract terminates or until all audits initiated within the four (4) years have been completed, whichever is later, and for five (5) years if any federal funds are used in the Contract. The retention period runs from the date of payment for the relevant goods or services by the State, or from the date of termination of the Contract, whichever is later. Retention time shall be extended when an audit is scheduled or in progress for a period reasonably necessary to complete an audit and/or to complete any administrative and judicial litigation which may ensue.

20.2 Participating Entities' Rights. Contractor will provide each Participating Entity with reasonable access to Contractor's books and records related to the corresponding Participating Entity's payments and participation in the Contract.

21. DEFAULT; REMEDIES.

21.1. WSCA's Rights Upon Default. Any of the following events shall constitute cause for WSCA to declare Contractor in default of the Contract: (1) nonperformance of contractual requirements under the Contract; and/or (2) a material breach of any term or condition of the Contract. In order to declare Contractor in default, WSCA shall issue a written notice of default providing a period in which Contractor shall have a reasonable opportunity to cure the default(s). Time allowed for cure shall not diminish or eliminate Contractor's liability for damages otherwise available under the Contract. If the default remains after Contractor has been provided the opportunity to cure, WSCA may do one or more of the following: (1) exercise any remedy provided by law; (2) terminate the Contract or portions thereof; and/or (3) suspend Contractor from receiving future bid solicitations.

21.2 Participating Entity's Rights Upon Default. Any of the following events shall constitute cause for a Participating Entity to declare Contractor in default of the corresponding Participating Addendum or Sub-PA: (1) non-performance of contractual requirements; and/or (2) Contractor's material breach of any term or condition of the Participating Addendum or Sub-PA. In order to declare Contractor in default, a Participating Entity shall issue a written notice of default providing a period in which Contractor shall have a reasonable opportunity to cure the default(s). Time allowed for cure shall not diminish or eliminate Contractor's liability for damages otherwise available under the Participating Addendum. If the default remains after Contractor has been provided the opportunity to cure, the Participating Entity may do one or more of the following: (1) exercise any remedy provided by law; (2) terminate the Participating Addendum, Sub-PA, or portions thereof.

21.3 No Cross Termination. Notwithstanding the foregoing, in the event of a default by Contractor hereunder, then (a) an individual Participating Entity may not terminate the Contract but, instead, may only terminate its own PA; (b) WSCA may not terminate an individual Participating Addendum or Sub-PA, except as a consequence of its termination of the Contract; and (c) a Participating Entity that is not (i) concurrently the Participant or Participating State under the corresponding Participating Addendum, or (ii) a party to a valid Sub-Participation Addendum, may not terminate the corresponding Participating Addendum or Sub-PA and, instead may only terminate any outstanding, unfilled purchase orders made in connection with the corresponding Participating Addendum or Sub-PA.

21.4 Post-Termination Issues. In the event of termination of the Contract or a Participating Addendum for any reason, the parties agree that the provisions of this paragraph survive termination:

a. The parties shall account for and properly present to each other all claims for fees and expenses and pay those which are undisputed and otherwise not subject to set off under the Contract. Neither party may withhold performance of winding up provisions solely based on nonpayment of fees or expenses accrued up to the time of termination;

b. Contractor shall satisfactorily complete work in progress at the agreed rate (or a pro rata basis if necessary) if so requested by WSCA or a Participating Entity;

c. Contractor shall execute any documents and take any actions necessary to effectuate an assignment of this contract if so requested by WSCA;

d. Contractor shall preserve, protect and promptly deliver into WSCA's possession all of WSCA's proprietary information in accordance with paragraph (31).

22. REMEDIES NON-EXCLUSIVE. Except as otherwise provided for by law or this Contract, the rights and remedies of the parties shall not be exclusive and are in addition to any other rights and remedies provided by law or equity, including, without limitation, actual damages, and to a prevailing party reasonable attorneys' fees and costs. It is specifically agreed that reasonable attorneys' fees shall include without limitation \$125 per hour for attorneys employed by the Lead State. The Lead State may set off consideration against any unpaid obligation of Contractor to Lead State in accordance with NRS 353C.190, or the applicable Participating Addendum. A Participating Entity's right of set-off shall be in accordance with the law of the Participating Entity's state, and the provisions of the applicable Participating Addendum.

23. LIMITED LIABILITY. The Lead State will not waive and intends to assert available NRS chapter 41 liability limitations in all cases. Contract liability of Contractor, WSCA, the Lead State, and/or any and all Participating Entities shall not be subject to punitive damages. In no event shall Contractor be liable for inability of users to access 911 or E911 service. In no event shall either Contractor, WSCA, the Lead State and/or any and all Participating Entities be liable for any indirect, special, consequential or incidental damages, however caused, which are incurred by the other party and which arise out of any act or failure to act relating to this agreement, even if such party has been advised of the claim or potential claim or the possibility of such damages, and in no event shall either party be liable to the other party for punitive damages.

24. FORCE MAJEURE. Neither party to this Contract shall be deemed to be in violation of this Contract if it is prevented from performing any of its obligations hereunder due to strikes, failure of public transportation, civil or military authority, act of public enemy, accidents, fires, explosions, or acts of God, including, without limitation, earthquakes, floods, winds, or storms. In such an event the intervening cause must not be through the fault of the party asserting such an excuse, and the excused party is obligated to promptly perform in accordance with the terms of the Contract after the intervening cause ceases. WSCA may terminate this Contract after determining such delay or default will reasonably prevent successful performance of the Contract.

25. INDEMNIFICATION.

25.1 Contractor's Obligations to WSCA. To the fullest extent permitted by law, Contractor shall indemnify, hold harmless and defend, not excluding the Lead State's right to participate, the Lead State and/or WSCA from and against all liability, claims, actions, damages, losses, and expenses, including, without limitation, reasonable attorneys' fees and costs, arising out of any alleged negligent or willful acts or omissions of Contractor, its officers, employees and agents.

25.2 Contractor's Obligations to Participating Entities. The Contractor shall release, protect, indemnify and hold Participating Entities and their officers, agencies, employees, harmless from and against any damage, cost or liability, including reasonable attorney's fees for any or all injuries to persons, property or claims for money damages arising from acts or omissions of the contractor, his employees or subcontractors or volunteers.

25.3 Exception. Contractor will not be liable for damages that are the result of negligence or willful misconduct by WSCA, the Participating Entities, and/or their respective employees, officers and agencies.

26. INSURANCE SCHEDULE. Unless expressly waived in writing by the Lead State or Participating States, Contractor, as an independent contractor and not an employee of the Lead State or Participating States, must carry policies of insurance in amounts specified in this Insurance Schedule and/or any Insurance Schedule agreed by Contractor and a Participating State via a participating addendum, and pay all taxes and fees incident hereunto. Until such time as the insurance is no longer required by the Lead State, Contractor shall provide the Lead State with renewal or replacement evidence of insurance no less than thirty (30) days before the expiration or replacement of the required insurance. If at any time during the period when insurance is required by the Contract, an insurer or surety shall fail to comply with the requirements of this Contract, as soon as Contractor has knowledge of any such failure, Contractor shall immediately notify the State and immediately replace such insurance or bond with an insurer meeting the requirements. 29. SEVERABILITY. If any provision of this Contract is declared by a court to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected; and the rights and obligations of the parties shall be construed and enforced as if the Contract did not contain the particular provision held to be invalid.

30. ASSIGNMENT/DELEGATION. To the extent that any assignment of any right under this Contract changes the duty of either party, increases the burden or risk involved, impairs the chances of obtaining the performance of this Contract, attempts to operate as a novation, or includes a waiver or abrogation of any defense to payment by State, such offending portion of the assignment shall be void, and shall be a breach of this Contract. Contractor shall not assign, sell, transfer, subcontract or sublet rights, or

delegate responsibilities under this Contract, in whole or in part, without the prior written approval of the WSCA Contract Administrator, which approval shall not be unreasonably withheld.

31. OWNERSHIP OF PROPRIETARY INFORMATION. 33. PUBLIC RECORDS. Pursuant to NRS 239.010, information or documents received from Contractor may be open to public inspection and copying. The Lead State will have the duty to disclose unless a particular record is made confidential by law or a common law balancing of interests. Contractor may label specific parts of an individual document as a "trade secret" or "confidential" in accordance with NRS 333.333, provided that Contractor thereby agrees to indemnify and defend the Lead State for honoring such a designation. The failure to so label any document that is released by the Lead State shall constitute a complete waiver of any and all claims for damages caused by any release of the records.

The above provision applies to WSCA and the Lead State, and does not inure to the benefit of Participating Entities. Information or documents produced or received by a Participating Entity in connection with participation in this Contract shall be subject to the public records laws of the Participating Entity's state, and the provisions of the applicable Participating Addendum.

Contractor further agrees to furnish information and reports to requesting Participating Entities, upon request, for the purpose of determining compliance with these statutes. Contractor agrees to comply with each individual Participating State's certification requirements, if any, as stated in the special terms and conditions. This Contract may be canceled if the Contractor fails to comply with the provisions of these laws and regulations. Contractor must include this provision in every subcontract relating to purchases by the States to insure that subcontractors and vendors are bound by this provision.

36. FEDERAL FUNDING. In the event federal funds are used for payment of all or part of this Contract:

a. Contractor certifies, by signing this Contract, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by any federal department or agency. This certification is made pursuant to the regulations implementing Executive Order 12549, Debarment and Suspension, 28 C.F.R. pt. 67, §67.510, as published as pt. VII of the May 26, 1988, Federal Register (pp. 19160-19211), and any relevant program-specific regulations.
