Ordinance: ORD-0066-2024

File Number: ORD-0066-2024

AN ORDINANCE AUTHORIZING THE MAYOR TO ENTER INTO AGREEMENT WITH POD DESIGN FOR ACADEMY PARK IMPROVEMENTS

WHEREAS, the Department of Parks & Recreation recommends upgrades and expansion of several park features at Academy Park, including replacement of playground features nearing the end of their useful life, expanding and replacing the parking lot to better meet needs of park users, and facilities improvements (replacement of existing shelter house, restrooms, and concessions stand) necessary for establishing trail head to serve both Big Walnut Trail and Mountain Bike Trail; and

WHEREAS, through the City's Request for Proposals (RFP) process, the Administration previously selected POD Design as the consultant for planning and design efforts at an original contract value of \$178,370; and

WHEREAS, in considering the planning and evaluation of the site, the Administration desires to amend the agreement to include an expansion of the existing parking lot by approximately 85 spaces and include electric vehicle (EV) charging stations; and

WHEREAS, the requested Academy Park Improvements require an amendment to the agreement with POD Design in the amount of \$120,490 for design and engineering services, which, when combined with the original contract, will exceed the procurement code threshold for professional services for a total sum of \$298,860; and

WHEREAS, the Administration now requests approval from Council for the amended agreement in the amount of \$120,490 to comply with procurement code requirements.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF GAHANNA, COUNTY OF FRANKLIN, STATE OF OHIO:

Section 1. That this Council authorizes the Mayor to enter into an amended agreement with POD Design, whose primary offices are located at 100 Northwoods Boulevard, Suite A, Columbus, Ohio 43235, for the purposes of additional design and engineering services for the Academy Park Improvements project in accordance with the terms more particularly described in EXHIBIT A, attached hereto and made a part herein.

Section 2. That this Ordinance shall be in full force and effect after passage by this Council and 30 days after signature of approval by the Mayor.

At a regular meeting of the City Council on November 18, 2024, a motion was made by Padova, seconded by Schnetzer, that the Ordinance be Adopted. The vote was as follows:

Ms. Bowers, yes; Ms. Jones, yes; Ms. McGregor, NO; Ms. Padova, yes;
Mr. Renner, yes; Mr. Schnetzer, yes; Mr. Weaver, yes.

President

Re: Contract Amendment for Academy Park Improvements

Dear Jim,

At the request of the City of Gahanna Parks & Recreation Department, POD Design is providing the following summary of the requested and agreed upon additional services and the associated fees for the Academy Park Improvement project.

ADDITIONAL SERVICES

Task 2. Conceptual Plan Development – Additional Services

- a. The scope of conceptual plans shall be expanded from the original contract scope (parking lot replacement, playground equipment replacement, new trail head facility, new shelter structure) to also include:
- parking lot expansion by approximately 85 additional spaces & drop off area
 - 4 EV charging stations and parking lot lighting as required by City Code
 - basketball court resurfacing

Task 3. Detailed Design – Additional Services

- a. The scope of detailed design plans shall be expanded from the original contract scope to include detailed design of additional items noted in Task 2 as well as detailed design of a new shelter structure.
- b. The new shelter structure shall be designed based on the following design criteria:
- Approximate size of 3,500 total net square footage
 - Two (2) restrooms and One (1) family restroom
 - Storage area(s)
 - Concession area
 - Viewing area
 - Mechanical, electrical and plumbing (MEP) services
 - Integration with new trail head
 - IT / Security capability

Task 4. Permitting – Additional Services

- a. The scope of permitting shall be expanded to include preparation of permit application materials associated with additional items noted in Tasks 2 and 3.
