ACTION ITEM

ANNUAL CODE UPDATES/REVISIONS

Every year, the Department reviews code and fee schedules for necessary updates and revisions to ensure it stays current and applicable. The code changes requested for this year are routine changes and minor in nature. Attached is an outline of the proposed code changes. These are being brought forth at this time due to timing of rates from the City of Columbus as well as submission of the budget.

To implement these updates, we are respectfully requesting that City Council pass ordinances to authorize the proposed code changes and fee schedule updates. To ensure that the code and fee schedules are active by January 1, we are requesting that ordinances be passed with a waiver of second reading to ensure the code and fee schedules are active by January 1.
