### **Section 3. Pay Schedule**

- a. Employees will progress to the next tenure-based step on the first day of the first full pay period immediately following their anniversary date.
- b. In the event that an employee will not be eligible for further step increases, the employee will receive a 4% wage increase on the first day of the first full pay period immediately following their anniversary date, except in the following cases:
  - 1) The effect of such increase would result in the employee's wage rate exceeding the maximum wage rate within their prescribed pay grade range per the terms of the City of Gahanna Pay Administration Policy, in which case any increase in excess of the maximum wage rate shall be paid in a one-time lump sum.
  - 2) For part time employees, the effect of such increase would result in the employee's wage rate exceeding the maximum wage rate within their prescribed pay grade per the terms of the City of Gahanna Pay Administration Policy, in which case any increase in the excess of the maximum wage rate shall be paid in a one-time lump sum based on a lookback of average hours worked for the period of the immediately preceding 12 months.
- c. Any employee who is under a performance improvement plan on appropriate service date will not receive the appropriate wage increase as described above. These employees will receive the pay increase on the first full pay period upon successful completion of performance improvement plan.

### **ARTICLE 3: OVERTIME AND TIMEKEEPING**

Employees in non-exempt positions will be paid based on one-quarter (1/4) hour increments. The Fair Labor Standards Act requires that all non-exempt employees will be paid for all time worked and any hours worked over forty hours in active paid status during the workweek will be paid overtime at 1 ½ times the regular hourly rate for non-exempt positions. Therefore, non-exempt employees cannot work in a voluntary capacity doing the same duties that they are paid to perform in their usual paid position. Non-exempt positions will be paid for all time worked; however, all overtime must be approved in advance by the employee's Supervisor. Overtime shall be paid in increments of one-quarter (1/4) of an hour. Therefore, all start and end times must be rounded back to the nearest quarter hour for 1 – 7 minutes past the quarter hour and must be rounded forward to the nearest quarter hour for 8 – 14 minutes past the quarter hour. The employee has the right to request compensatory time in lieu of overtime pay.

### **ARTICLE 4: PAY PLAN ADMINISTRATION**

Administration of the pay plan shall be in accordance with the terms set forth in the City of Gahanna Pay Administration Policy, as approved by City Council.

## **ARTICLE 5: BENEFIT PLAN ADMINISTRATION**

The City's benefit plans shall be administered in accordance with the terms set forth in the Benefits Ordinance, as approved by City Council.

## **ARTICLE 6: NON-DISCRIMINATION**

The City shall not discriminate against any employee on the basis of age, race, color, religion, creed, national origin or ancestry, ethnicity, marital status, sexual orientation, sex (including pregnancy), gender (including gender nonconformity or status as a transgender or transsexual individual), military and veteran's status, political affiliation, physical or mental disability, genetic information, or any status protected by applicable federal, state, or local law.
