Date: Wednesday, May 24, 2017 1:58:43 PM

Member of Planning Commission:

I received a phone call today from a resident Leonid Polonsky, 836 Eastchester Dr., who will be unable to attend tonight's meeting to discuss the applications V-0006-2017 & DR-0008-2017. Mr. Polonsky is a contiguous property owner and wishes to voice his objections. Mr. Polonsky is concerned with the increase in traffic/parking congestion and noise. Mr. Polonsky has asked that you all please consider his objections, despite his not being able to attend the meeting tonight. Should you wish to speak to Mr. Polonsky directly, he can be reached at (614) 475-0013.

Sincerely,

KRYSTAL GONCHAR
