Hi Tyler,

Thanks for this information! It's very helpful.

I am writing to request the City of Gahanna Parks and Recreation board waive the GMAC rental fee.

Each spring, Lincoln Elementary School plans an end of the year picnic for 5th grade students as a celebration of their time in elementary school. It's an opportunity for the children to spend time in the outdoors, being active with their peers and creating memories that will last a lifetime. The annual event is overseen by 5th grade teachers and organized by generous parents who donate their time and resources to plan and provide food and drinks for the children to enjoy.

It would be nice treat to utilize the GMAC to provide additional opportunities for fun and exercise. The organizing committee especially needs the grill as we would like to cook lunch onsite and the smaller grills installed at the shelter house will not allow for this to be done in a timely manner.

Additionally, the use of the GMAC could be promoted through the City of Gahanna and Lincoln Elementary School social media properties and may inspire others to rent this service.
