Becky Stinchcomb, Mayor

FROM: Rory Gaydos, Director of Technology

DATE: February 5, 2015

RE: **REPORT TO COUNCIL FOR Monday, February 9, 2015**

ACTION ITEMS:

The Technology Department respectfully requests the following Council Action:

Action Requested:

The Technology Department respectfully requests authorization for the Mayor to enter into the attached agreement which is a three year (36 month) license renewal for Esri Small Municipal and County Government Enterprise License for a total of \$107,250.00. This software agreement is only offered as a three year contract though it is payable on an annual basis in the amount of \$35,750.00.

Purpose:

This agreement that will grant the City access to Esri term license software on an unlimited basis and also includes software maintenance. The Esri software is the fundamental software platform for the City's GIS services which provide both internal and external stakeholders the ability to utilize GIS services.

Additional Information:

There are sufficient funds in the 2015 appropriations to cover this contract and costs are shared between the Service Department and the Technology Department equally (Quote and RCA attached). Our current contract expires the end of February which is why we are respectfully requesting emergency action.
