RE: USR 62 at Morse Road
PID 22374

Dear Mr. Wetherholt:

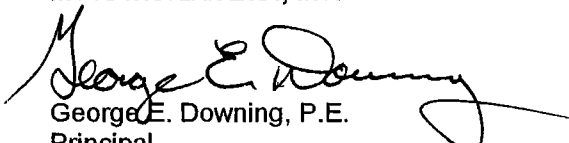

In accordance with our discussions, the cost for completion of the environmental studies and the preliminary plans for the addition of turn lanes at the intersection of USR 62 and Morse Road is not to exceed \$143,200 for calendar year 2001.

The final construction plans and environmental clearance is scheduled for early in 2003. The total cost through that date, including the \$143,200, is \$410,014.

After right of way acquisition and the contract award process, construction is scheduled for spring/summer of 2004.

Sincerely,
MOODY/NOLAN LTD., INC.
