Re: Proposal for Professional Engineering and Surveying Services for the Morison/Claycraft/Science Boulevard Bikepath and Curb Improvement Project. (8,000 L.F.)

Dear Karl:

WatCon Consulting Engineers and Surveyors, L.L.C (Watcon) is pleased to provide you a Proposal for Professional Engineering Services for the project listed above.

Our Comprehensive Scope of Services with the above project is itemized on the attached sheet (**Exhibit A**). It is anticipated to coordinate with Advance Civil Design on their design along the frontage of the new Residence Hotel project located at the N.E corner of Morrison and Claycraft Roads.

Our proposed Lump Sum Fee for these Professional Engineering Services will be forty-eight thousand dollars (**\$48,000**). The Lump Sum Fee does not include any surveying for private property utility or grading easements that may be needed for this improvement.

Additional services, above the Comprehensive Scope of services will be charged hourly at the rates outlined in **Exhibit B**. Anticipated Reimbursable costs have been included in the Lump Sum Fee.. All work will be performed in accordance to the attached **WatCon Consulting Engineers and Surveyors L.L.C Terms and Conditions** and are part of this proposal.

17. AMENDMENT

This Agreement may not be amended except in a writing executed by both WATCON and CLIENT. No alterations or modifications to the proposal and to the terms and conditions shall be effective unless affirmatively contained in the signed proposal.

18. AS-BUILT DRAWINGS

Any "as-built" drawing or record drawing has been prepared based upon information in part by others. While this information is believed to be reliable, WATCON cannot assure its accuracy, and is thus not responsible for the accuracy of this record drawing or for any error or omission, which may have been incorporated into it as a result. Those relying on this record drawing are advised to obtain independent verification of its accuracy before applying it for any purpose. In addition, WATCON will provide additional services for new "as-built" drawings upon the CLIENT's request.

19. DEFINITIONS

CLIENT: shall refer to the person, firm, or corporation that has entered into a contractual relationship with WATCON providing for the performance of professional services related to civil engineering and surveying, and WATCON's subcontracted services.

PROPOSAL: shall refer to the written scope of services, unit prices, and/or fixed fee provided by WATCON to CLIENT describing, if applicable, the nature of the services to be performed by WATCON or its subcontractors, and the amount and type of compensation to be paid for those services.

CLAIMS or LIABILITY: referred to in this document shall include damages, liability for injury or loss, cost of defense and all other losses.

CERTIFY: means to state or declare a professional opinion of condition whose true properties cannot be known at the time such certification was made, despite appropriate professional evaluation. A WATCON certification of conditions in no way relieves any other party from meeting requirements

imposed by contract or other means, including commonly accepted industry practices.
