ACTION ITEM #2: 2022 STREET REBUILD AND WATERLINE REPLACEMENT DESIGN – AWARD CONTRACT

The Department of Public Service and Engineering is requesting an ordinance authorizing the Mayor to enter into contract with GPD Group for professional services associated with the 2022 Street Rebuild and Waterline Replacement Design project.

This project will design roadway and utility improvements to Heil Drive between Mill Street and Shull Avenue, Laura Drive between Heil Drive and Jennie Drive, North Street between High Street and Shepard Street, River Drive between James Road and Parkland Drive, and Rocky Fork Drive North between Flint Ridge Drive and Cliffview Drive. Engineering services are needed for the design of these streets due to the complexity of the rebuilds and number of utilities that need to be replaced or improved.

Construction of these streets is expected to occur in 2023. In addition to pavement reconstruction, sidewalks, utilities, and drainage features will be added or improved with this project. Copies of the proposed contract and proposal are attached for your review.

The Department of Public Service & Engineering respectfully requests legislation authorizing the Mayor to enter into contract with GPD Group as outlined herein.
