Re: Dept. of Finance – Request for Council Action (September 22, COTW Meeting)

ACTION ITEMS

ACTION ITEM #1: RESOLUTION ACCEPTING, AUTHORIZING, AND CERTIFYING PROPERTY TAX AMOUNTS & RATES

Every year in September, the Franklin County Budget Commission sends each local subdivision a resolution that must be passed, accepting the amounts and rates for real estate taxes. This resolution also authorizes the tax levies as necessary and certifies them to the County Auditor. This is the result of the tax budget that was filed in July. In short, it sets the distribution of the City's 2.4 mills between the general fund, the bond retirement fund, and the police pension fund, and the amount of the estimated property tax revenue for the upcoming year distributed among each of those three funds.

The Administration is respectfully requesting a resolution, as required by Ohio Revised Code, to accept the amounts and rates as determined by the Franklin County Budget Commission, authorizing the tax levies as necessary and certifying them to the County Auditor. The Resolution will be filed in October with the County Auditor completing the certification process.
