

Public Safety, Public Service and Parks and Recreation Funds

- (a) There is hereby created three Special Revenue Funds, into which shall be deposited moneys generated from twenty five percent of the 1% income tax increase authorized by the voters May 7, 2019 with an effective date of July 1, 2019.
- (b) There shall be a separate fund established for each designated operational purpose and the funds shall only be used for these purposes as follows:
 - a. Public Safety Fund for public safety operational costs including, without limitation, police protection and 911 emergency services.
 - b. Public Service Fund for public service operational costs including, without limitation, snow removal and streetlight and traffic signal maintenance.
 - c. Parks and Recreation Fund for parks and recreation operational costs including, without limitation, parks and recreation programming.
