and likewise having inspected the site and the conditions affecting and governing the Project and confirmed the location of the site utilities and all existing structures, the undersigned hereby proposes to furnish all materials and to perform all labor, as specified and described in the said Specifications and/or as shown on the said Drawings for all Work necessary to complete the Project on a timely basis and in accordance with the Contract Documents regardless of whether expressly provided for in such Specifications and Drawings.

1.04 Before completing the Bid Form, the undersigned represents that it has carefully reviewed the Notice to Bidders, Information and Requirements for Bidders, this Bid Form, Form of Bid Guaranty and Contract Bond, Contractor's Affidavit (O.R.C. 5719.042), Owner-Contractor Agreement, General Conditions of the Contract (EJCDC C-700, 2013) (as modified), Drawings, Project Specifications, and all other

Contract Documents. Failure to comply with provisions of the Contract Documents may be cause for disqualification of the bid.

1.05 BONDS AND CONTRACT: If the undersigned is notified of bid acceptance, it agrees to furnish required bonds as indicated in the Information and Requirements for Bidders.

1.06 COMPLETION OF WORK: In submitting a bid, the undersigned agrees to execute the Owner-Contractor Agreement in the form included in the Contract Documents and to substantially complete its Work as required by the Contract Documents.

NOTE A: The wording of the Bid Form shall be used throughout, without change, alteration, or addition. Any change may cause it to be rejected.

NOTE B: Bidder is cautioned to bid only on the Brands or Standards specified.

NOTE C: If there is an inconsistency or conflict in the Bid amount, the lowest amount shall control, whether expressed in numbers or words.

[Balance of Page Intentionally Left Blank]

2.01 BID:

Include the cost of all labor and material for the contracts listed below. Bidder is to fill in all blanks related to the Bid Package for which a bid is being submitted. If no bid is submitted for an item, leave the item blank or insert "NO BID" in the blank. For alternate items, indicate whether the amount stated is in addition to or a deletion from the base bid amount (if there is no indication whether the amount for an alternate is an addition or a deletion, the amount shall be a deduction). If there is difference between the total bid amount and the total of the individual amounts for labor and materials stated under a bid package, the total of the individual amounts shall be the amount deemed to be inserted in the blank for the total labor and materials for each bid package.

3.01 INSTRUCTIONS FOR SIGNING

- C. The person signing for a corporation must be the president, vice president or other authorized representative; or he must show authority, by affidavit, to bind the corporation.
- D. The person signing for some other legal entity must show his authority, by affidavit, to bind the legal entity.

4.01 BIDDER CERTIFICATIONS. The Bidder hereby acknowledges that the following representations in this bid are material and not mere recitals:

1. The Bidder acknowledges that this is a public project involving public funds, and that the Owner expects and requires that each successful Bidder adhere to the highest ethical and performance standards. The Bidder by submitting its bid pledges and agrees that (a) it will act at all times with absolute integrity and truthfulness in its dealings with the Owner and the Design Professional, (b) it will use its best efforts to cooperate with the Owner and the Design Professional and all other Contractors on the Project and at all times will act with professionalism and dignity in its dealings with the Owner, Design Professional and other Contractors, (c) it will assign only competent supervisors and workers to the Project, each of whom is fully qualified to perform the tasks that are assigned to him/her, and (d) it has read, understands and will comply with the terms of the Contract Documents.
2. The Bidder represents that it has had a competent person carefully and diligently review each part of the Contract Documents, including the Divisions of the Specifications and parts of the Drawings that are not directly applicable to the Work on which the Bidder is submitting its bid. By submitting its bid, each Bidder represents and agrees, based upon its careful and diligent review of the Contract Documents, that it is not aware of any conflicts, inconsistencies, errors or omissions in the Contract Documents for which it has not notified the Design Professional in writing at least seven (7) days prior to the bid opening. If there are any such conflicts, inconsistencies, errors or omissions in the Contract Documents, the Bidder (i) will provide the labor, equipment or materials of the

better quality or greater quantity of Work; and/or (ii) will comply with the more stringent requirements. The Bidder will not be entitled to any additional compensation for any conflicts, inconsistencies, errors or omissions that would have been discovered by such careful and diligent review, unless it has given such prior written notice to Design Professional.

3. The Bidder represents that it has had a competent person carefully and diligently inspect and examine the entire site for the Project and the surrounding area, including all parts of the site applicable to the Work for which it is submitting its bid, including the location, condition and layout of the site and the location of utilities, and carefully correlate the results of the inspection with the requirements of the Contract Documents. The Bidder agrees that its bid shall include all costs attributable to site and surrounding area conditions that would have been discovered by such careful and diligent inspection and examination of the site and the surrounding area, and the Bidder shall not be entitled to any Change Order, additional compensation, or additional time on account of conditions that could not have been discovered by such an investigation.
4. The Bidder represents, understands and agrees that a) the Change Proposal and Claim procedures in the Modified Standard General Conditions are material terms of the Contract Documents, b) if it has a Change Proposal or Claim, it will have its personnel provide complete and accurate information to complete and submit the Change Proposal and / or Statement of Claim form on a timely basis, c) the proper completion and timely submission of a Change Proposal or Statement of Claim form is a condition precedent to any change in the Contract Sum or the Contract Time(s), and d) the proper and timely submission of the Change Proposal or Statement of Claim form provides the Owner and the Design Professional with necessary information so that the Owner may investigate the Claim and mitigate its damages.
5. The Bidder represents that the bid contains the name of every person interested therein and is based upon the Standards specified by the Contract Documents.
6. The Bidder and each person signing on behalf of the Bidder certifies, and in the case of a bid by joint venture, each member thereof certifies as to such member's entity, under penalty of perjury, that to the best of the undersigned's knowledge and belief: (a) the Base Bid, any Unit Prices, Lump Sum Items, and any Alternate bids in the bid have been arrived at independently without collusion, consultation, communication or agreement, or for the purpose of restricting competition as to any matter relating to such Base Bid, Unit Prices, Lump Sum Items, or Alternate

bids with any other Bidder; (b) unless otherwise required by law, the Base Bid, any Unit Prices, Lump Sum Items, and any Alternate bids in the bid have not been knowingly disclosed by the Bidder and will not knowingly be disclosed by the Bidder prior to the bid opening, directly or indirectly, to any other Bidder who would have any interest in the Base Bid, Unit Prices, Lump Sum Items, or Alternate bids; (c) no attempt has been made or will be made by the Bidder to induce any other Person to submit or not to submit a bid for the purpose of restricting competition; and (d) the statements made in this Bid Form are true and correct.

7. The Bidder will execute the form of Owner/Contractor Agreement in the form included with the Contract Documents, if a Contract is awarded on the basis of this bid, and if the Bidder does not execute the Contract Form for any reason, other than as authorized by law, the Bidder and the Bidder's Surety are liable to the Owner.
8. The Bidder certifies that upon the award of a Contract, the Contractor will ensure that all of the Contractor's employees, while working on the Project site, will not purchase, transfer, use or possess illegal drugs or alcohol or abuse prescription drugs in any way.
9. The Bidder agrees to furnish any information requested by the Design Professional or the Owner's authorized representative to evaluate that the Bidder is the best bidder and that the bid is responsive to the specifications.
10. The Bidder certifies that it has no unresolved findings for recovery issued by the Auditor of State.
11. The Bidder certifies that it is aware of and in compliance with the requirements of Ohio Revised Code Section 3517.13 regarding campaign contributions.

BID GUARANTY AND CONTRACT BOND
(O.R.C. § 153.571)

KNOW ALL PERSONS BY THESE PRESENTS, that we, the undersigned _____
_____ ("Contractor") as principal and _____
_____ as surety are hereby held and firmly bound unto
the City of Gahanna, as obligee in the penal sum of the dollar amount of the bid submitted
by the principal to the obligee on _____, 20__, to undertake the construction of
replacing two deficient bridge structures related to the **Larry Lane Bridge Replacement**
ST-1050 & Pizzurro Park Bridge Replacement ST-1042 Project ("the Project"). The penal
sum referred to herein shall be the dollar amount of the principal's bid to the obligee,
incorporating any additive or deductive Alternates made by the principal on the date
referred to above to the obligee, which are accepted by the obligee. In no case shall the
penal sum exceed the amount of _____ Dollars (\$____
_____). (If the foregoing blank is not filled in, the penal sum will be the full amount of the
principal's bid, including add Alternates. Alternatively, if the blank is filled in the amount
stated must not be less than the full amount of the bid including add Alternates, in dollars
and cents. A percentage is not acceptable.) For the payment of the penal sum well and
truly to be made, we hereby jointly and severally bind ourselves, our heirs, executors,
administrators, successors, and assigns.

Signed this _____ day of _____, 20__.

THE CONDITION OF THE ABOVE OBLIGATION IS SUCH that whereas the above named
principal has submitted a bid for work on the Project.

Now, therefore, if the obligee accepts the bid of the principal and the principal fails to
enter into a proper contract in accordance with the bid, plans, details, specifications, and
bills of material; and in the event the principal pays to the obligee the difference not to
exceed ten percent (10%) of the penalty hereof between the amount specified in the bid and
such larger amount for which the obligee may in good faith contract with the next lowest
bidder to perform the work covered by the bid; or in the event the obligee does not award
the contract to the next lowest bidder and resubmits the project for bidding, the principal
pays to the obligee the difference not-to-exceed ten percent (10%) of the penalty hereof
between the amount specified in the bid, or the costs, in connection with the resubmission,
of printing new contract documents, required advertising, and printing and mailing notices to
prospective bidders, whichever is less, then this obligation shall be null and void, otherwise
to remain in full force and effect; if the obligee accepts the bid of the principal and the
principal within ten (10) days after the awarding of the contract enters into a proper contract
in accordance with the bid, plans, details, specifications, and bills of material, which said
contract is made a part of this bond the same as though set forth herein.

Now also, if the said principal shall well and faithfully do and perform the things
agreed by said principal to be done and performed according to the terms of said contract;
and shall pay all lawful claims of subcontractors, materialmen, and laborers, for labor
performed and materials furnished in the carrying forward, performing, or completing of said
contract; we agreeing and assenting that this undertaking shall be for the benefit of any
materialman or laborer having a just claim, as well as for the obligee herein; then this

obligation shall be void; otherwise the same shall remain in full force and effect; and surety shall indemnify the obligee against all damage suffered by failure of the principal to perform the contract according to its provisions and in accordance with the plans, details, specifications, and bills of material therefor and to pay all lawful claims of subcontractors, materialmen, and laborers for labor performed or material furnished in carrying forward, performing, or completing the contract and surety further agrees and assents that this undertaking is for the benefit of any subcontractor, materialman, or laborer having a just claim, as well as for the obligee; it being expressly understood and agreed that the liability of the surety for any and all claims hereunder shall in no event exceed the penal amount of this obligation as herein stated.

The said surety hereby stipulates and agrees that no modifications, omissions, or additions in or to the terms of the said contract or in or to the plans or specifications therefore shall in any wise affect the obligations of said surety on its bond, and does hereby waive notice of any such modifications, omissions or additions to the terms of the contract or to the work or to the specifications.

BID GUARANTY AND CONTRACT BOND
(O.R.C. § 153.571)

KNOW ALL PERSONS BY THESE PRESENTS, that we, the undersigned _____
Law General Contracting Inc. ("Contractor") as principal and _____
Fidelity and Deposit Company of Maryland as surety are hereby held and firmly bound unto
the City of Gahanna, as obligee in the penal sum of the dollar amount of the bid submitted
by the principal to the obligee on March 16, 2018, to undertake the construction of
replacing two deficient bridge structures related to the **Larry Lane Bridge Replacement**
ST-1050 & Pizzurro Park Bridge Replacement ST-1042 Project ("the Project"). The penal
sum referred to herein shall be the dollar amount of the principal's bid to the obligee,
incorporating any additive or deductive Alternates made by the principal on the date
referred to above to the obligee, which are accepted by the obligee. In no case shall the
penal sum exceed the amount of _____ Dollars (\$____
_____). (If the foregoing blank is not filled in, the penal sum will be the full amount of the
principal's bid, including add Alternates. Alternatively, if the blank is filled in the amount
stated must not be less than the full amount of the bid including add Alternates, in dollars
and cents. A percentage is not acceptable.) For the payment of the penal sum well and
truly to be made, we hereby jointly and severally bind ourselves, our heirs, executors,
administrators, successors, and assigns.

Signed this 16th day of March, 2018.

THE CONDITION OF THE ABOVE OBLIGATION IS SUCH that whereas the above named
principal has submitted a bid for work on the Project.

Now, therefore, if the obligee accepts the bid of the principal and the principal fails to
enter into a proper contract in accordance with the bid, plans, details, specifications, and
bills of material; and in the event the principal pays to the obligee the difference not to
exceed ten percent (10%) of the penalty hereof between the amount specified in the bid and
such larger amount for which the obligee may in good faith contract with the next lowest
bidder to perform the work covered by the bid; or in the event the obligee does not award
the contract to the next lowest bidder and resubmits the project for bidding, the principal
pays to the obligee the difference not-to-exceed ten percent (10%) of the penalty hereof
between the amount specified in the bid, or the costs, in connection with the resubmission,
of printing new contract documents, required advertising, and printing and mailing notices to
prospective bidders, whichever is less, then this obligation shall be null and void, otherwise
to remain in full force and effect; if the obligee accepts the bid of the principal and the
principal within ten (10) days after the awarding of the contract enters into a proper contract
in accordance with the bid, plans, details, specifications, and bills of material, which said
contract is made a part of this bond the same as though set forth herein.

Now also, if the said principal shall well and faithfully do and perform the things
agreed by said principal to be done and performed according to the terms of said contract;
and shall pay all lawful claims of subcontractors, materialmen, and laborers, for labor
performed and materials furnished in the carrying forward, performing, or completing of said
contract; we agreeing and assenting that this undertaking shall be for the benefit of any
materialman or laborer having a just claim, as well as for the obligee herein; then this

obligation shall be void; otherwise the same shall remain in full force and effect; and surety shall indemnify the obligee against all damage suffered by failure of the principal to perform the contract according to its provisions and in accordance with the plans, details, specifications, and bills of material therefor and to pay all lawful claims of subcontractors, materialmen, and laborers for labor performed or material furnished in carrying forward, performing, or completing the contract and surety further agrees and assents that this undertaking is for the benefit of any subcontractor, materialman, or laborer having a just claim, as well as for the obligee; it being expressly understood and agreed that the liability of the surety for any and all claims hereunder shall in no event exceed the penal amount of this obligation as herein stated.

The said surety hereby stipulates and agrees that no modifications, omissions, or additions in or to the terms of the said contract or in or to the plans or specifications therefore shall in any wise affect the obligations of said surety on its bond, and does hereby waive notice of any such modifications, omissions or additions to the terms of the contract or to the work or to the specifications.

Signed and sealed this 16th day of March, 2018.

GENERAL CONTRACTING

Re: Company qualifications or verification for proposed projects

Law General Contracting is an Ohio based company doing business with Industrial, Commercial and Public agencies since 1992. We hold a permanent address at 9128 Mt. Vernon Road, St. Louisvillle, Ohio 43071. Financially our company has been doing business with Park National Bank since 1992. Our company meets all bonding qualifications through Auto-Owners (Mutual) Insurance Company.

Law General Contracting is a non-union company specializing in earthwork, site development, underground utility relocation or installation, new roadway installation or rehabilitation, and the installation of custom structural concrete roadway, sidewalks, curbs and curb ramps. We are currently pre-qualified by the City of Columbus to complete the noted work and we hold ODOT pre-qualification. We also hold licensing for the installation, removal and remediation of underground Storage Tanks (UST) within the State of Ohio.

Law General Contracting strongly believes in first impressions, by maintaining a professional relationship with our clients, while offering the highest quality of workmanship. We strive for all of this while meeting completion dates. Our company invites you to verify the quality of our company by contacting the following agencies, Denison University, The Albert Higley Company, The Village of Hebron, The City of Heath, Licking Rural Electric, The Newark-Heath Port Authority, Owens Corning and Dow Chemical.

Law General Contracting is comprised of a structurally sound staff, with unlimited experienced field personnel holding all licensing necessary to complete your project. Our Company is comprised of owner operators, Tom Law who is a 3rd generation business owner in this field and operating engineer's card holder for fourteen years, and Nick Edwards has been an operating engineer's card holder for eleven years, both establishing this successful business in which they are involved in the daily operations. Our Company consists of one Project Manager, Brice Corbin, which has 12 years experience as a Project Manager/Superintendent/Estimator for commercial, industrial, residential and site construction projects. He also holds his Ohio Fire Line Installer license. We have six Foremen within the company. We will supply the right combination for your project.
