Re: Dept. of Public Service & Engineering Report to Council (March 28, 2022 Meeting)

ACTION ITEM

2022 STREET PROGRAM ST-1090 – AWARD CONTRACT

On March 18, 2022, bids were opened and reviewed for the 2022 Street Program. In total, the Department received two bids. This year's street program will consist of concrete work, asphalt resurfacing, crack sealing, street rebuilds, and pavement marking.

Strawser Paving Company was the lowest responsive and responsible bidder. The Department recommends awarding the Base bid and Alternate 1 (application of a pavement preservation agent) to Strawser. The total amount of the contract includes a 10% contingency to cover any unforeseen construction costs, which is standard and best practice.

The Administration respectfully requests an ordinance to enter into contract with Strawser Paving Company for the 2022 Street Program.

Legislation Needed: Ordinance
Emergency/Waiver: **Not applicable. Because this is a construction contract, the 30-day referendum does not apply per City Charter (4.14).**
