Dear Karl:

Per your letter dated July 12, 2000, I am of the understanding that the sanitary sewer installation in front of my property on West Johnstown Road at Sandra Court has been satisfactorily completed. I request acceptance of that improvement.

I appreciate your working with us on this project in conjunction with the installation of the storm sewer. If there is anything else I need to do in regard to this matter, please advise.

Cordially,

Gary Cheses
